This is an autobiography about Anthony Da Shaun Halton and how multiple sclerosis changed his life. The author tells the story of his childhood and the hardships he endured growing up in a small Southern town. He was forced to face loyalty with friendship, relationships, and beliefs in God. Anthony endured many obstacles to become a changed man. His story is emotional, thought provoking, and inspirational.

Largest city. For more than 125 years, the world's attention has turned to Louisville for the annual running of the Kentucky Derby on the first Saturday in May. Louisville Slugger bats still reign supreme in major league baseball. The city was also the birthplace of the famed Hot Brown and Benedictine spread, and the cheeseburger made its debut at Kaelin's Restaurant on Newburg Road in 1934. The "Happy Birthday" had its origins in the Louisville kindergarten class of sisters Mildred Jane Hill and Patty Smith Hill. Named for King Louis XVI of France in appreciation for his assistance during the Revolutionary War, Louisville was founded by George Rogers Clark in 1778. The city has been home to a number of men and women who changed the face of American history. President Zachary Taylor was reared in surrounding Jefferson County, and two U.S. Supreme Court Justices were from the city proper. Second Lt. F. Scott Fitzgerald, stationed at Camp Zachary Taylor during World War I, frequented the bar in the famous Seelbach Hotel, immortalized in *The Great Gatsby*. Muhammad Ali was born in Louisville and won six Golden Gloves tournaments in Kentucky.

A CATAclysmic DISASTER STRIKES YOUR AREA. How will you evacuate your family to safety? Do you have a vehicle you can count on? Can it double as a mobile retreat, or do you have a shelter prepared in advance? What's your plan for reaching the shelter? Bug Out Vehicles and Shelters gives you the vital answers and options for becoming a survivor instead of a refugee: VEHICLES • Prepping fast-escape vehicles • Using specially equipped vehicles for unique situations • Planning for backup vehicles if your main escape option fails • Utilizing bikes, canoes, kayaks, rowboats and other human-powered means of escape SHELTERS • Preparing temporary shelters • Locating and stocking longterm shelters • Using an RV, motorhome, camper trailer or converted utility vehicle • Living aboard boats, from motorboats to houseboats to blue-water sailboats Explaining the advantages and drawbacks of each vehicle and shelter option, this survival handbook zeroes in on the key considerations and essential equipment for planning all your bug-out needs.

For many people, a well-maintained automobile is a source of pride and peace of mind. But for others, the idea of routine maintenance is daunting. *How to Make Your Car Last Forever* will guide you through the minefield of preventative maintenance, repair, extended warranties, and magic elixirs that claim to cure everything from oil consumption to male-pattern baldness! Author, car repair expert, and host of satellite radio show *America's Car Show* with Tom Torbjornsen, Tom Torbjornsen has seen it all in his 40 years in the automobile industry. Let him show you how to extend the life of your car indefinitely. In *How to Make Your Car Last Forever*, he explains the what, when, and why's of automotive maintenance and repairs in easy-to-understand terms. Simple how-to projects supplement the learning with step-by-step instructions that will save you time and money. While you may not want your car to last forever, Torbjornsen's advice will help you preserve it indefinitely while maximizing resale value down the road. Preventative maintenance is the key to the automotive fountain of youth. Let Tom Torbjornsen show you the way!

How often do you truly see that life is full of everyday blessings from God? Our Creator is present in our lives—even when we don't realize it—and it is part of His plan that we have friendship and relationship with Him. So how does one live life with God, the omnipotent, omniscient Creator of all? In *Tidbits and Pearls*, Ladonna Shanks shares incidents from her life, recounting them in a way that touches the heart and enriches the lives of those who read these personal stories. Her insights and lessons learned offer profound yet simple wisdom, gleaned from her seventy-plus years of life experience. Many of her essays focus on her family—her children and “grandgirls”—as well as her personal gardening business. Her faith shines through the narrative as a shining light for others to follow. Humankind was created to have a relationship with their Creator, and everyday life presents the opportunities for that to occur. *Tidbits and Pearls* is one woman's record of how God manifests himself in daily life, with the challenge to look beyond the physical and seek the spiritual aspect of life. So take the first step in this journey and be honest with yourself and with God, for you are His instrument, and without Him you can do nothing.

A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.
