1 and 2 will be of particular interest to home and professional mechanics and Land Rover enthusiasts, specialists and owners' clubs. Illustrated with over 300 colour photographs.

Discovery, the multi-purpose vehicle whose versatility has made it equally at home on urban streets as it is in off-road conditions. Liberally illustrated, this volume discusses and explains design and development; model features; accessories and equipment; production and sales history; off-road driving techniques; technical specs and more. Tailored to those looking to know precisely what is offered amongst today's many Discovery variants.

A re-issue of the original Land Rover factory handbook. Covers Series II petrol and diesel models. It is presented in sections to guide the reader progressively from reception of the vehicle through familiarisation with controls and instrumentation, driving techniques, basic day to day attention and longer-term workshop maintenance, technical data, recommended lubricants and fluids and electrical data.

The Range Rover's designers intended it to be a more comfortable and road-friendly passenger-carrying Land Rover, but customers quickly saw something much more in it. During the 1970s, while its immense practicality and capability were appreciated and acknowledged, a Range Rover became a sought-after and prestigious possession. It went on to change the face of Land Rover for ever. Range Rover First Generation - The Complete Story delves into the real story of the Range Rover, examining what lay behind the multiple changes in its twenty-six years of production. The book covers the full development story; custom and utility conversions; Range Rovers for the US market; full technical specifications and Range Rovers assembled overseas. If ever a car deserved the over-used epithet 'iconic', the first-generation Range Rover is it. The book provides an insight into the little-known difficulties and problems that were so well concealed by the Range Rover's makers and is a must read for all Range Rover and Land Rover enthusiasts. Superbly illustrated with 223 colour and 97 black & white photographs.
