Lists manufacturers' suggested retail and dealer invoice prices for all models, foreign and domestic, along with information on standard and optional equipment, specifications and reviews, and buying and leasing advice.

This is the only book that completely lists accurate technical data for all cars imported into the U.S. market from 1946-2000. With many imports approaching the antique status, this book will be a big seller across all generations of car enthusiasts. From the grandiose European carriages of the late Forties to the hot, little Asian imports of the Nineties, every car to grace American roadways from across the Atlantic and Pacific is carefully referenced in this book. &#x26;#x26;Foreign car devotees will appreciate the attention given to capturing precise data on Appearance and Equipment, Vehicle I.D. Numbers, Specification Charts, Engine Data, Chassis, Technical Data, Options and Historical Information. &#x26;#x26;Collectors, restorers and car buffs will love this key book from noted automotive authors, James Flammang and Mike Covello.

Thoroughly revised and updated for 2001, the guide that has helped thousands of car and truck buyers make the right decision is now better than ever. Includes a listing of AAA Top Car Award winners for the year, fuel economy reports, and sound advice on "buy vs. lease". Full-color photos throughout.

Based on tests conducted by Consumers Union, this guide rates new cars based on performance, handling, comfort, convenience, reliability, and fuel economy, and includes advice on options and safety statistics.
