family cars, but

with the

introduction of the

240Z in 1969 the

marque's image

received a massive

boost. It was a

runaway success,

outselling every

European sports

car model in the

lucrative North

American market.

The 280Z arrived in

Access Free

2010 Bmw 135i

1975 followed by the 280ZX in 1978 and sales of the 280ZX had reached over 446,000 units by the time production came to an end in 1983. 44 international articles include road, track and comparison tests, a service guide plus full technical and
