release of the 2013 InterQual criteria, the Acute Adult and Acute Pediatric criteria continue to move towards condition-specific criteria. The condition-specific criteria are organized by episode day and comprise multiple levels of care.

2013 Interqual Guidelines For Psychiatric Inpatient Admission InterQual® Behavioral Health Criteria support initial and continued stay level-of-care decisions across the behavioral health continuum of care. The criteria address the varying needs of geriatric, adult, adolescent, and child patients with both psychiatric and substance use disorders. The depth of criteria allows care managers to consider symptoms, functional status, and quality of support systems as determinants for the most appropriate
