Sitting comfortably in the middle of the Mercedes-Benz lineup (larger than the compact GLC but smaller than the full-size GLS), the GLE has been a fan favorite since its introduction and we're expecting a fresh look here in 2019. There hasn't been an official release date set yet, but word on the street is that it will be hitting the lots sometime this fall.

~~Mercedes-Benz GLE-Class~~ Wikipedia

The GLE-Class returns mostly unchanged for 2019, with a few tweaks to the available powertrains. Mercedes pulled the hybrid GLE 550e from the market in preparation for a new series of hybrid systems. The GLE 350 gets a 27-horsepower boost and a rebranding as the GLE 400. V6-powered trims get a nine-speed transmission.

The 2019 model of the GLE is still part of the first generation of this vehicle from Mercedes-Benz. As such, there aren't a lot of major changes for this year's model. Wood trim has been added on as a standard feature for a couple of trim packages. Specifically, these are the AMG 63 and AMG 63 S models.
