A Short History of Progress is a non-fiction book and lecture series by Ronald Wright about societal collapse. The lectures were delivered as a series of five speeches, each taking place in different cities across Canada as part of the 2004 Massey Lectures which were broadcast on the CBC Radio program, Ideas.

A Short History of Progress - Wikipedia

If you have any curiosity about the answers to these questions, don't hesitate to pick up 'A Short history of progress'. From these three questions, Wright takes us on a whirlwind tour of human history, from the dawn of humanity to the present day. By answering the first two questions, Wright

A Short History of Progress by Ronald Wright

For most of human history, the rate of progress was so slow that it was usually invisible. But the last six or seven generations have been blindsided by a typhoon of explosive change. Progress had a habit of giving birth to problems that could only be solved by more progress.

A Short History of Progress - Kindle edition by Wright ...

In A Short History of Progress - his acclaimed 2004 Massey Lectures, an international bestseller in many languages - Ronald Wright argues that our modern predicament is as old as civilization, a 10,000-year experiment we unleashed but have seldom controlled.

A Short History of Progress - RonaldWright.com

A Short History of Progress argues that this modern predicament is as old as civilisation. Only by understanding the patterns of progress and disaster that humanity has repeated since the Stone Age can we recognise the inherent dangers, and, with luck, and wisdom, shape its outcome.
