A laugh till it hurts paranormal comedy! Oy vey! Shit just got serious in Chicago. The Witches Union has discovered that Leigh Epstein has been dabbling in the dark arts, and now they want to become creative editors for Leigh's paranormal romance, "Four-Bitten Fangtasy," a book about a shape shifting-werewolf-vampire hybrid named Vlad. They definitely have something up their sleeves and they've assigned our young apprentice witch to a mentor named Gertie, who isn't quite up to snuff. Can she fulfill the contract and get FBF done before the deadline? What's in it for the Union anyway? To make matters worse, Leigh's friends and family are still reeling from their last disastrous episode in Accidental Leigh. Will she make her Sister Sarah's lackluster love life even worse, by attempting to fulfill her erotic fantasy from her favorite BDSM/Navy SEAL/Amnesia novel? And yes, it's titled "Bound to Forget." Love is in the air, but so is a catastrophe, now that Leigh is also getting some very strong feelings for Hunter, the hunky roofer turned Chicago Police Academy cadet. Find out almost everything, and even learn about a Paranormal Pet Shop, what really sank the Titanic, magic brownies, how the Great Chicago Fire really started, and more.

worthy, heartfelt rom-com about how a transgender teen's first love challenges his ideas about perfect relationships. Noah Ramirez thinks he's an expert on romance. He has to be for his popular blog, the Meet Cute Diary, a collection of trans happily ever afters. There's just one problem—all the stories are fake. What started as the fantasies of a trans boy afraid to step out of the closet has grown into a beacon of hope for trans readers across the globe. When a troll exposes the blog as fiction, Noah's world unravels. The only way to save the Diary is to convince everyone that the stories are true, but he doesn't have any proof. Then Drew walks into Noah's life, and the pieces fall into place: Drew is willing to fake-date Noah to save the Diary. But when Noah's feelings grow beyond their staged romance, he realizes that dating in real life isn't quite the same as finding love on the page. In this charming novel by Emery Lee, Noah will have to choose between following his own rules for love or discovering that the most romantic endings are the ones that go off script.

If Leigh has learned anything this summer, it's that magic can be chaotic. Despite some headline making disasters in her last diary, Leigh is eternally hopeful. With Four-Bitten Fangtasy behind her, Leigh decides to write a little paranormal erotica with her newest disasterpiece, Bangin' the Billion-were. She even takes on a rehash of the popular YA dystopian genre, in her novella Regurgitant. It seems that even the editing of other author's writing can make her unwittingly fire up her literal-witchcraft. Leigh finds out how bad things can get when her friends ask her to edit their own cowboy-biker book, Steel Stetsons.
