Akai MPk mini: Changing the key. Hi all, I was wondering does anyone know how to transpose the key on the mpk mini? I seen a video for one of the other akais where you could press in the two octave buttons and then choose your key based on what key you played on the board. But this doesn't work on the mini. I can't see anything online or anything in the manual. Can it even be done? Thanks for ...
