Alice starts telling the kitten about the other side of the looking-glass where everything is the same as in the drawing room, only backwards. She wonders how it will be to live there and fantasises that the glass is so soft that she can get through. The glass then indeed turns into a sort of silvery mist and Alice climbs through it.

Wonderland) - Wikipedia

Alice's Adventures in Wonderland

Alice is sitting on a riverbank with her sister feeling bored when a White Rabbit runs by, checking its pocket-watch and announcing that it's late. Alice leaps up, follows it down an enormous rabbit hole, and embarks on a series of wild and wacky adventures in a world known as Wonderland.

Alice's Adventures in Wonderland and Through the Looking ...

Through the Looking Glass revolves around Alice stepping into a mirror, on the other side of which there is a topsy-turvy, unfamiliar and illogical world.

What she encounters there seemed to me to have parallels to new realities in our present moment. Notably, however, in both her trips to Wonderland, Alice is resilient.
