"Clever sleuthing...a great setup...Kijewski writes with wit and fine pacing, and Kat remains invigorating company". -- Publishers Weekly A Sacramento attorney commits suicide -- and Kat finds a video suggesting heal been blackmailed. But as Kat investigates, she discovers that the extortionist has a charitable streak, ordering victims to make their payments to an organization that helps handicapped kids. Kijewski fans will love this thrilling new entry in the series that features tough-talking Kat Colorado. "The quintessential female P.I.". -- Booklist

Donovan Mocion, the 2020 Olympic athlete known as the fastest man on the planet, is the sole survivor of a horrific plane crash that takes the lives of his Nobel Prize winning parents. Left a paraplegic, Donovan begins his slow recovery with the help of a remarkable physical therapist. But Donovan has no idea that the unexpected deaths of his scientist parents have left an important project incomplete. Francine Bovier, the ruthless CEO of Global Pharmaceuticals, is desperate to complete the Mocions' project and pressures two replacement scientists into action with disastrous results. Meanwhile, after Donovan attends his parents' funeral, he discovers their house and home laboratory have been ransacked. Someone is searching for something important, and only Donovan knows where it is. In a secret location in the house, Donovan recovers computer drives and artificial intelligence crystals that hold the answers to solving a laboratory experiment gone terribly wrong. In this futuristic fantasy mystery, Donovan unknowingly launches an unstoppable life force ready to launch a massive attack against humankind. Now he must do everything in his power to stop it before it is too late.

It's no secret that Canadians love beer, and in the western provinces, the large number of successful microbreweries continues to prove that distinct beer-high-quality beer-is important to our national pint-lovers. Beer Quest West is for homebrewers and beer aficionados alike: this is your guide to the best of the west. Alberta and British Columbia are host to over seventy microbreweries, and that number is increasing every year. In this comprehensive field guide, each brewery is fully described, complete with location, the story of the brewery, profiles of the faces behind the brew and of course, their core list of beers. Terminology is explained, and author Jon Stott discusses the grain-to-glass process and the many different beer styles produced in the western provinces. Whether you favour an IPA, a lager, a porter or stout, you'll find your pint between the pages of Beer Quest West.

An idyllic world shadowed by darkness.Justin York first fell for Alley as teenagers. But he never told her. She lived in Dallas and only visited her grandmother occasionally. Now she's back. Grown up and beautiful. When Alley agrees to spend the summer cat-sitting for her grandmother in a small town, she's unprepared when illness strikes her grandmother's beloved cat. But most of all, she's unprepared for falling for small-town vet, Dr. Justin York. They seem to have a connection except for one thing - Justin keeps disappearing.His work as a Search and Rescue dog trainer makes him a target for revenge. And puts Alley's life in danger.
