Alpha males refuse to tolerate second class behavior from the people in their social or romantic circles. They are not a doormat for others to walk on and they won't sit by when someone says or does something they believe is wrong. Beta guys care more about other people's opinions of them than they do their own values and beliefs.

~~How to Stop Being the Nice Guy and Attract Women~~

While being an alpha female is incredibly powerful, alpha females also report some negative aspects. The research participants in a study in the Journal of Leadership Education expressed having to pay a price for their status and strong alpha female identity. They felt at times that they were negatively labeled and stereotyped.
