Take on the Level II CFA (Chartered Financial Analyst) exam with study materials from Kaplan Schweser. Choose from live or online instruction and study tools to help you succeed on exam day.

Master the practical aspects of the CFA Program curriculum with expert instruction for the 2020 exam. The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2020 Level II, Volumes 1-6 provides the complete Level II curriculum for the 2020 exam, with practical instruction on the Candidate Body of Knowledge (CBOK) and how it is applied, including expert guidance on incorporating concepts into practice. Level II focuses on complex analysis with an emphasis on asset valuation, and is designed to help you use investment concepts appropriately in situations analysts commonly face. Coverage includes ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments, and portfolio management organized into individual study sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams, and financial statements illustrate complex concepts to facilitate retention, and practice questions with answers allow you to gauge your understanding while reinforcing important concepts. While Level I introduced you to basic foundational investment skills, Level II requires more complex techniques and a strong grasp of valuation methods. This set dives deep into practical application, explaining complex topics to help you understand and retain critical concepts and processes. Incorporate analysis skills into case evaluations. Master complex calculations and quantitative techniques. Understand the international standards used for valuation and analysis. Gauge your skills and understanding against each Learning Outcome Statement. CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools; Level II focuses on application of concepts and analysis, particularly in the valuation of assets; and Level III builds toward synthesis across topics with an emphasis on portfolio management.

The Wiley Study Guides for the Level I CFA Program exam are proven to help candidates understand, retain, and master the CFA Program Curriculum. Complete with color-coded Study Guides and coverage of every Learning Outcome Statement on the exam. Created from the distilled knowledge of our staff of CFA charterholders and instructors, these books are a highly effective and proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level I candidates and include practical and helpful tips and test-taking advice throughout the text. The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. "Just wanted to let you know I am VERY happy with the notes. Much more clear than other providers!" —Brian, USA "The Study Guides were more clearly and thoroughly (and yet somehow more concisely!) written than the competitors.." —Vanessa, Spain "Your study guides, lectures and practice questions are really helping me grasp these difficult concepts better. Thanks!" —Amy, USA "Wiley's prep material was a huge part of my success on the exam... Thank you so much for all of the support you have provided. I truly believe in the Wiley products, and will be recommending them to students for years to come." —Lindsey G, USA "Looked at the economics module you sent me, the notes at University do not even come close, and its probably true for a lot of people, including those who have already completed an honors degree or MBA at some of the top universities around the world." —Geoffrey, South Africa
