A Guide to the Constitution The  
U.S. Constitution states basic  
principles which guide our  
country's government and laws.  
When it was written in 1787, it  
was the plan which told the  
beginning country how to form its  
government. For example, the  
Constitution said that the United  
States would have a President and  
a Vice President.
