Introduction to material science and
engineering I will give you
introduction about material science
and engineering which is a very
exciting field in today's context. Let's
jump into some discussion about this
field, some history and the relevance
of this field.

materials. Compared to regular engineering students in professional colleges, AMIE students do not get access to good professors, laboratory facilities, regular attendances etc. All these factors may affect AMIE result.

AMIE Section A Study Materials for self study

Material Science is a tough subject. For this subject you need to read material supplied by IEI along with a good text book referred by IEI.

Material Science and Engineering by V Raghavan is a good book for this. I have studied the book Materials Science And Engineering by IP Singh and was very good for understanding.
