A comprehensive review of behavioral operations management that puts the focus on new and trending research in the field The Handbook of Behavioral Operations offers a comprehensive resource that fills the gap in the behavioral operations management literature. This vital text highlights best practices in behavioral operations research and identifies the most current research directions and their applications. A volume in the Wiley Series in Operations Research and Management Science, this book contains contributions from an international panel of scholars from a wide variety of backgrounds who are conducting behavioral research. The handbook provides succinct tutorials on common methods used to conduct behavioral research, serves as a resource for current topics in behavioral operations research, and as a guide to the use of new research methods. The authors review the fundamental theories and offer frameworks from a psychological, systems dynamics, and behavioral economic standpoint. They provide a crucial grounding for behavioral operations as well as an entry point for new areas of behavioral research. The handbook also presents a variety of behavioral operations applications that focus on specific areas of study and includes a survey of current and future research needs. This important resource: Contains a summary of the methodological foundations and in-depth treatment of research best practices in behavioral research. Provides a comprehensive review of the research conducted over the past two decades in behavioral operations, including such classic topics as inventory management, supply chain contracting, forecasting, and competitive sourcing. Covers a wide-range of current topics and applications including supply chain risk, responsible and sustainable supply chain, health care operations, culture and trust. Connects existing bodies of behavioral operations literature with related fields, including psychology and economics. Provides a vision for future behavioral research in operations. Written for academicians within the operations management community as well as for behavioral researchers, The Handbook of Behavioral Operations offers a comprehensive resource for the study of how individuals make decisions in an operational context with contributions from experts in the field.

Explains how to use the portable music player with a Windows PC or a Macintosh computer to perform functions including play music, store personal contact and calendar information, and use as a portable FireWire drive.

Apple's third-generation iPad has a new, razor-sharp Retina display and a robust processor that will dazzle you with their looks and speed, but you won't get far without an owner's manual to all the tablet's features. This comprehensive guide shows you how to transfer media to your iPad, sync and shop wirelessly, tap into WiFi and 4G cellular networks, and use iTunes for media management. The important stuff you need to know: Build your media library. Fill your iPad with music, photos, movies, TV shows, games, eBooks, and more. Sync wirelessly. Keep your iPad's apps, media, and email messages current without cabling up. Capture stunning images. Take photos and HD video with the tablet's new 5 megapixel iSight camera. Get online. Connect via WiFi or the blazing-fast 4G LTE cellular network--and create a free Wi-Fi hotspot with Verizon's iPad. Take dictation. Speak? email messages and notes, and have the iPad type them up.

Here is your essential companion to the iPod touch, classic, nano, and shuffle, and the iTunes application. The iPod & iTunes Pocket Guide, Third Edition, steers you through how to Import songs into iTunes and assemble playlists, listen to podcasts, and burn CDs. Find music, movies, TV shows, videos, and audiobooks on the iTunes. Store and see song and film recommendations, discover podcasts, and send gift certificates. Buy music from the iTunes Wi-Fi Music Store and sync songs with your computer. Use your iPod to keep contacts, view events, and store files (as a portable hard drive). Make your iPod even more useful (and awe your friends) with fascinating tips and tricks. Fix common problems and learn what to do if you can't fix them yourself.
