What are word classes? How can we recognize them? What role do they play in regards to punctuation? Grammar in Theory and in Practice was written for those who want straight answers, in plain English, to these crucial, yet rarely asked, questions. This essential guide empowers students to identify

parts of speech rapidly, to employ punctuation marks confidently, and to examine syntax precisely, in four popular GCSE texts: Lord of the Flies, Animal Farm, Frankenstein, and 1984. Grammatical categories are neatly defined in the glossary, and each chapter is packed with practical and demanding exercises, testing your knowledge of nouns, verbs, adjectives, adverbs, conjunctions, and prepositions. Topics range from the relatively simple, such as common pronoun errors or subject-verb agreement problems, to the somewhat complex, such as appositives, participles, or rhetorical devices. At the end of the course, there is a large punctuation section that revises the usage of commas, colons, semicolons, hyphens, and apostrophes.

Brief and basic in its coverage, GRAMMAR TO GO, 5th Edition, offers students a unique focus on sentence diagramming that helps them visualize and understand how words connect. Perfect as a primary text or as a supplement for courses with an emphasis on learning basic grammar and punctuation skills, this edition incorporates a wide range of material to help students hone their skills, including additional "GrammarSpeak" features (which provide guidance on common errors in daily speech and writing); a new "Write Now" feature in each chapter that offers a specific writing topic for paragraph development while focusing on the grammar lessons of the chapter; and more integrated exercises on interesting topics from sports to history to the arts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The only guide from the ACT organization, the makers of the exam, revised and updated for 2017 and beyond The Official ACT Prep Guide, 2018 Edition, Revised and Updated is the must-have resource for college bound students. The book contains information on how to register for the exam, proven test-taking strategies, ideas for preparing mentally and physically, gearing up for test day, and much more. This invaluable guide includes additional questions and material that contains articles on everything from preparing a standout college application and getting into your top-choice school to succeeding in college The bestselling prep guide from the makers of the ACT test Offers bonus online contest to help boost college readiness Contains the real ACT test forms used in previous years This new edition offers students updated data on scoring your writing test, new reporting categories, as well as updated tips on how to do your best preparing for the test and on the actual test day from the team at ACT. It also offers additional 400 practice questions that are available online.

Lost Horizon' is a 1933 novel by English writer James Hilton. It is best remembered as the origin of Shangri-La, a fictional utopian lamasery high in the mountains of Tibet. While attempting to escape a civil war, four people are kidnapped and transported to the Tibetan mountains. After their plane crashes, they are found by a mysterious Chinese man. He leads them to a monastery hidden in "the valley of the blue moon" -- a land of mystery and matchless beauty where life is lived in tranquil wonder, beyond the grasp of a doomed world.
