Atrill emphasises the interpretation of financial information for business decision-making, rather than focusing on the collection of financial data and the preparation of statements and reports. The content of this resource is aimed primarily at learners studying a single unit in accounting and finance as part of an undergraduate or MBA course, who do not require in-depth theoretical or technical detail. .

Atrill Harvey Jenner Accounting Edition 5

It first introduced me to accounting to nvq level 2, in my opinion races towards level 3, then diploma level. Easy to understand with questions and answers. I would recommended reading with Osbourne books level 2, after a few chapters. I read a few pages a day, and got a comprehensive idea of business accounting or financial accounting principles.
