Drawing (just like photography) is one of the basic forms of visual communication.

Drawing is used to record objects and actions of everyday life in an easily recognizable manner. There are two major types of drawings: artistic drawings and technical drawings.

Elements. We will  
treat "sketching" and  
"drawing" as one.

"Sketching" generally  
means freehand  
drawing. "Drawing"  
usually means using  
drawing instruments,  
from compasses to  
computers to bring  
precision to the  
drawings.
