A custom Chemistry resource proudly created for Wellington Secondary School by Edvantage Interactive.

SNAP (Student Notes and Problems) Workbooks help students achieve school success...one course at a time. Packed with notes, explanations and illustrative examples, they've got everything a student needs to develop a complete understanding of a subject's key concepts. Each SNAP workbook: • Is written by respected educators • Includes lessons that complement classroom instruction, making at-home study easier • Helps students apply newly-acquired concepts • Offers step-by-step learning through illustrative examples • Provides a wide range of questions and problems for self-testing Improving Grades is a SNAP!

This text blends traditional introductory physics topics with an emphasis on human applications and an expanded coverage of modern physics topics, such as the existence of atoms and the conversion of mass into energy. Topical coverage is combined with the author's lively, conversational writing style, innovative features, the direct and clear manner of presentation, and the emphasis on problem solving and practical applications.
