The book offers the students an opportunity to familiarise themselves with the nature and level of complexity of questions asked in GATE and helps them in topic-wise preparation for the examination. Solutions to most of the questions and answer keys have been provided at the end of each Papers.

India Policy Forum is an annual publication jointly promoted by the National Council for Applied Economic Research, New Delhi and the Brookings Institution in Washington D.C., with the objective of presenting high-quality empirical research on the major economic policy issues that confront contemporary India. The papers cover a diverse set of macro and microeconomic topics of relevance to policymakers. The prime objective of this volume is to make the policy discussion accessible to a broad non-specialist audience within India and abroad and assist in the development of a global network of scholars interested in India's economic transformation.

This short course includes 40-50 hours of essential exam practice, tips and strategies to prepare students for the Cambridge ESOL KET for Schools examination. KET for Schools Direct prepares students for the Cambridge ESOL KET for Schools examination. The Workbook without answers provides 12 units of additional language practice and includes a complete practice test.
