### Working as a Solution Specialist at Best Buy: Employee ...

Best Buy was the only place that called me back. Hmm... Any way for starters, during my interview they asked me what position/department I was interested in going to. I said that I wanted to be a cashier, thinking that it was an easy enough job; particularly since i knew little about computers or gaming systems.

In addition, you'll get articles from the foundational HBR's 10 Must Reads: The Essentials, which offers seminal pieces chosen by the editorial team at Harvard Business Review. Each book is packed with enduring advice from the best minds in business such as: Michael Porter, Clayton Christensen, Peter Drucker, John Kotter, Daniel Goleman, Jim Collins, Ted Levitt, Gary Hamel, W. Chan Kim, Renée Mauborgne and much more. The HBR's 10 Must Reads Collection includes: HBR's 10 Must Reads: The Essentials This book brings together the best thinking from management's most influential experts. Once you've read these definitive articles, you can delve into each core topic the series explores: managing yourself, managing people, leadership, strategy, and change management. HBR's 10 Must Reads on Managing Yourself The path to your professional success starts with a critical look in the mirror.

Here's how to stay engaged throughout your 50-year work life, tap into your deepest values, solicit candid feedback, replenish your physical and mental energy, and rebound from tough times. This book includes the bonus article "How Will You Measure Your Life?" by Clayton M. Christensen. HBR's 10 Must Reads on Managing People

Managing your employees is fraught with challenges, even if you're a seasoned pro. Boost their performance by tailoring your management styles to their temperaments, motivating with responsibility rather than money, and fostering trust through solicited input. This book includes the bonus article "Leadership That Gets Results," by Daniel Goleman. HBR's 10 Must Reads on Leadership

Are you an extraordinary leader—or just a good manager? Learn how to motivate others to excel, build your team's confidence, set direction, encourage smart risk-taking, credit others for your success, and draw strength from adversity. This book includes the bonus article "What Makes an Effective Executive," by Peter F. Drucker. HBR's 10 Must Reads on Strategy

Is your company spending too much time on strategy development, with too little to show for it? Discover what it takes to distinguish your company from rivals, clarify what it will (and won't) do, create blue oceans of uncontested market space, and make your priorities explicit so employees can realize your vision. This book includes the bonus article "What Is Strategy?" by Michael E. Porter. HBR's 10 Must Reads on Change Management

Most companies' change initiatives fail—but yours can beat the odds. Learn how to overcome addiction to the status quo, establish a sense of urgency, mobilize commitment and resources, silence naysayers, minimize the pain of change, and motivate change even when business is good. This book includes the bonus article "Leading Change," by John P. Kotter. HBR's 10 Must Reads on Innovation

To innovate profitably, you need more than just creativity. Learn how to decide which ideas are worth pursuing, innovate through the front lines, tailor your efforts to meet customer's needs, and avoid classic pitfalls. This book includes the bonus article "The Discipline of Innovation" by Peter F. Drucker. HBR's 10 Must Reads on Communication

The best leaders know how to communicate clearly and persuasively. From connecting with the audience and establishing credibility to inspiring others to carry out your vision, get the skills you need to express your ideas with clarity and impact—no matter what the situation. This book includes the bonus article "The Necessary Art of Persuasion" by Jay A. Conger. HBR's 10 Must Reads on Collaboration

Join forces with others inside and outside your organization to solve your toughest problems. Learn how to forge strong relationships, build a collaborative culture, and manage conflict wisely. This book includes the bonus article "Social Intelligence and the Biology of Leadership" by Daniel Goleman and Richard Boyatzis. HBR's 10 Must Reads on Strategic Marketing

Reinvent your marketing by putting it—and your customers—at the center of your business. Leading experts provide the insights and advice you need to figure out what business you're really in, uncover your brand's strengths and weaknesses, and end the war between sales and marketing. This book includes the bonus article "Marketing Myopia" by
