The foundational, classic anthology that revived interest in the author of Their Eyes Were Watching God—"one of the greatest writers of our time"—and made her work widely available for a new generation of readers (Toni Morrison). During her lifetime, Zora Neale Hurston was praised for her writing but condemned for her independence and audacity. Her work fell into obscurity until the 1970s, when Alice Walker rediscovered Hurston's unmarked grave and anthologized her writing in this groundbreaking collection for the Feminist Press. I Love Myself When I Am Laughing... And Then Again When I Am Looking Mean and Impressive established Hurston as an intellectual leader for future generations of black writers. A testament to the power and breadth of Hurston's oeuvre, this edition—newly reissued for the Feminist Press's fiftieth anniversary—features a new preface by Walker. "Through Hurston, the soul of the black South gained one of its most articulate interpreters." —The New York Times

Olive Brewster is a scaredy cat. She doesn't do new or risky. She's happy enough with her job at the local market, it's cool that she has no boyfriend to fret over, she even likes that she still lives in her childhood home. No drama, no fuss, no problems. Everything is fine. Super duper fine. Except ... Olive's best friend in the world, Birdie, is dying. Birdie has one final wish. She wants to track down her first love, Chuck, and because she's stuck in the hospital she needs Olive's help to do it. But there's a teeny problem: Chuck is somewhere in New York and Olive has never even left her home town, let alone roamed the crazy streets of Manhattan. As if the big city isn't scary enough, Olive has to contend with Seth, a cocky comedy TV writer who thinks she's a joke; Anders, a bored socialite who's taken a shine to her; and the fact that no matter how hard she tries to track down Chuck, he doesn't seem to want to be found. Can Olive learn to overcome her fears, abandon her old safe routine and fulfill her best friend's last wish? It's going to take extra bravery, one badass attitude and a whole lot of Big Sexy Love to make this happen ...

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK POST * MARIE CLAIRE * ELITE DAILY * REFINERY29 * ROMPER * PRIDE * PUREWOW “A gutsy book you need to read right now. Filled with heart and humor, it’s scary good.” —Courtney Love Unwifeable is the “riveting” (Cheryl Strayed), “inspirational” (Issa Rae), “hilarious” (Candace Bushnell) debut memoir from notorious dating columnist Mandy Stadtmiller that is destined to “blow you away” (Colin Quinn). Critics call it “phenomenal” (Cat Marnell), “unflinching” (Eille), “brilliant” (BBC), “outrageously entertaining” (Booklist) and “a must-read” (BuzzFeed). Provocative, fearless, and dizzilyingl uncensored, Mandy spills every secret she knows about dating, networking, comedy, celebrity, media, psychology, relationships, addiction, and the quest to find one’s true nature. She takes readers behind the scenes (and name names) as she relays her utterly addictive journey. Starting in 2005, Mandy picks up everything to move across the country to Manhattan, looking for a fresh start. She is newly divorced, thirty-years-old, with a dream job at the New York Post. She is ready to conquer the city, the industry, the world. But underneath the glitz and glamour, there is a darker side threatening to surface. The drug-fueled, never-ending party starts off as thrilling...but grows ever-terrifying. Too many blackout nights and scary decisions begin to add up. As she searches for the truth behind the façade, Mandy realizes that falling in love won’t fix her—until she learns to accept herself first. This is a true New York fairy tale brought to life—Sex and the City on acid. Perfect for when “you feel stuck in some way and wish to become unstuck” (Caroline Kepnes), you’ll soon see why Unwifeable is one of the best reviewed, most beloved memoirs of the year.

This collection bundles all 3 of popular author Melanie Shankle’s previous books together in one e-book, for a great value! Sparkly Green Earrings “There is really no better indicator you’re a mother than acquiring the ability to catch throw-up in a plastic bag, disinfect your hands, and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened.” This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood. Written in the familiar, stream-of-consciousness style of her blog, Big Mama, Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it—Sparkly Green Earrings will make you feel like you’re sitting across the table from your best friend. A must-read for anyone who’s ever had a child or even thought about it. The Antelope in the Living Room Welcome to the story of a real marriage. Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it’s a good idea to hang a giant antelope head on your living room wall. In The Antelope in the Living Room, New York Times best-selling author and blogger Melanie Shankle does for marriage what Sparkly Green Earrings did for motherhood—makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage. Nobody’s Cuter than You There is nothing as precious in life as a friend who knows you and loves you in spite of yourself. Yet over the last couple of decades, we’ve substituted the joy of real friendship with cheap imitations. We settle for “community” on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment. We like each other’s beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It’s showing up, laughing loud, and crying hard. It’s forgiving and loving and giving the benefit of the doubt. It’s making a casserole, doing a carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers Sparkly Green Earrings and The Antelope in the Living Room, Nobody’s Cuter than You is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments. From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better, Melanie Shankle reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace hormone-related acne reminiscent of our teen years, and our kids have tested the limits of our sanity, they are the ones who will look at us and say, “Nobody’s cuter than you!”

A delicious tale of self-discovery and realization...all with the help of a little birthday present. Strap on your seatbelt, because this book is a wild read!

Wanda Sykes reduces people to tears -- tears of laughter. She's done so as a stand-up comic, a sitcom star, and a sports commentator for years now, and in the process she's gained a huge fan base nationwide. Now that she's conquered television, she's aplying her genius to her first book, Yeah, I Said It. Here, Wanda presents hilarious and uncensored commentary on sex, family, politics, celebrities, and much more than she could ever say in a sound bite. But then again, she's a genius with a sound bite too. Here's what she says about men and football. "I used to think that football took place in this overbearing male-only environment that bled masculine domination. But the more I attend, the more I realize these football fans could actually be experiencing the straight man's gay pride parade. You see men painting each other's faces in bright colors. You see men proud to wear another man's last name on their shirt. You see some men wear no shirt at all...Hot wieners on every corner as you walk up to the main competition. Men open the back of their trunks for a little tailgating." Here's what she says about women: "Women are taking stripper classes in hopes their men will stop going to strip clubs...You can't compete with those strippers...You gotta have...the stripper mentality. In other words, the ability to lie like a dog for a measly buck. A stripper will tell your man anything for a dollar. 'Oow, I thought you were Brad Pitt.'" An uproarious and irreverent collection from one of today's foremost comedic talents, Yeah, I Said It is Wanda Sykes at her uncensored best. Here, she channels her sharp wit into funny bits on the truth as she sees it from the halls of government in Washington, D.C., to the red carpets and boardrooms of Hollywood. Imbued with her razor-sharp voice, these essays showcase Sykes's sidesplitting candor and her trademark brand of comedy.

A personal trainer and lifestyle expert introduces a series of ten-minute workouts to help readers lose weight, burn fat, slim and tone problem areas, and promote overall fitness.

A heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories-from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it
