Destinies will be fulfilled. Grace Moss may be a witch, but her magic totally sucks. Hence the reason she finds herself saying yes to an unexpected offer of aid from a dusty, yet yummy-smelling, vampire. A warlock determined to break the curse. Ever since he released her from his mountain home, Jesse Moss finds he's possessed with the memory of a vampire he feels compelled to protect for reasons he can't explain. Night after night, he lies wrapped in her scent, her wiskey voice invading his dreams, and for the first time in his solitary life, he feels alone in the dark. Shea's cursed past won't let her have him. His future insists she must.

Killian walked into my new voodoo shop late one night with an urgent request - he needed me to heal his friend. Only I know absolutely nothing about voodoo, or healing. I 'm just trying to start a new life with what little family I have left after my dream of becoming a star on Broadway went up in flames. Literally. At first glance, he was an average looking guy with a European flair. Nothing outside the ordinary in the city of New Orleans. But despite his nerdy-boy attire, Killian was most definitely all man. And as his black eyes made their way up my body to my face, the look reflected within them was 't the least bit tame. More like predatory... I expected her to cast me down the moment I walked through her door. But I had no choice. One of my own was dying from a witch 's curse, and only another witch could undo the spell. However, Lizzy was not what I 'd expected to find. Stunned by her beauty and overwhelmed by her scent, I burned with thirst until the blood raced through my veins and my body tightened with need. But with one taste, she calmed the beast within me as the truth flooded my wicked soul. The witch is MINE. She is the pulse that feeds my immortal life and the bearer of my death. Taking Lizzy as my mate will bring about the end of my coven 's uneasy truce with the witches. Leaving her will mean my demise... My name is Killian Rice, and I am a vampire. Come Into The Dark with this new series by L.E. Wilson, and enter her Deathless Night. A world of immortals with only one weakness: The witches who can destroy us...

The Goddess Test meets Dexter in an edgy, compelling debut about one teen 's quest for revenge...no matter how far it takes her. Amelie Ainsworth is not alone in her head. Bound to a deal of desperation made when she was a child, Amelie 's mind houses the Furies—the hawk and the serpent—lingering always, waiting for her to satisfy their bloodlust. After escaping the asylum where she was trapped for years, Amelie knows how to keep the Furies quiet. By day, she lives a normal life, but by night, she tracks down targets the Furies send her way. And she brings down Justice upon them. Amelie 's perfected her system of survival, but when she meets a mysterious boy named Niko at her new school, she can 't figure out how she feels about him. For the first time, the Furies are quiet in her head around a guy. But does this mean that Amelie 's finally found someone who she can trust, or are there greater factors at work? As Amelie 's mind becomes a battlefield, with the Furies fighting for control, Amelie will have to decide which is worse: denying the only man she might ever love, or subjecting him to the fate the Furies want for him?

He was my deepest revelation and my darkest secret. Bad boys were never my thing, unless they existed within the pages of a book. Until Alex Moss came to my rescue like some sort of avenging angel. He saved my life, which is why I believed him when he told me the threat against my life was back, and only he could protect me. With his dark hair, golden eyes, and broad shoulders, the warlock was hard to resist. Yet even as his kisses made me crave more, there was something about him that frightened me. It was 't until I tasted his blood that I knew it wasn 't magic that brought us together, but fate. The warlock is MINE. I saved her from a curse, only to get caught in her spell. Kenya Darce was like no other vampire I 'd ever met. Adorable, quirky, and sexy as hell, she turned me on with one look over the top of her black-rimmed glasses. But ever since the night I exorcised the spell from her body, we 've had a connection between us. It was completely unexplainable, but it was there. And now the thing that tried to kill her is back, and I 'm the only one with magic dark enough to fight for her. Forbidden to go near her, I couldn 't stay away. Nothing and no one will keep me away from her.

Run, little faerie. Run. I have all kinds of plans for what I'll do when I catch you. Brock Hume is a lone wolf, and right now he's hunting the most tempting prey he's ever encountered. He really can't help himself. Her scent reminds him of the heather blossoms of his homeland, and she has curves he can't wait to get his paws on. And she was running from him... A werewolf. Heather Knight has to be the worst faerie ever, but being that she grew up as a human, that really shouldn't be a surprise. She can't even tell when a man isn't actually a man at all. And she really should have known, for no mortal human was that hot. To protect her heart-and her true identity-she runs. In a strange twist of fate, Brock and Heather find themselves thrown into the dark world of the fae. To win the game, and rescue the girl, Brock will have to learn the truth about his mate, but her secrets could also tear them apart...
