As BLOODLUST begins, high school senior, Jason Freeman, has just moved into an exclusive Malibu subdivision with his sister and their nouveau rich parents. He experiences the typical teenage angst: the girl he likes is taken, he can't have a good time at parties because he's always watching out for his younger sister, one of his new friends isn't exactly riding the top rung of the social ladder, etc.

Vampire Beach is a series of teen vampire novels written by Alex Duval, published by Simon & Schuster. The series follows Jason, a human whose family moves out to Malibu. Jason learns that the hottest clique in Malibu are actually all vampires. The series was originally published in 2006, and was re-published in 2010 with updated cover art. It differs from many teen vampire series as it is told from Jason's point of view.

This is the first 2 stories in the Vampire Beach series by Alex Duval combined into 1 book but overall it is probably about the same size as a normal book. The covers caught my eye as they reminded me of the Twilight Saga of which I'm a big fan. The books are written from 17 year old Jason's perspective which made a change.
