Hospitals are in desperate need for blood. The Red Cross said it's seeing about a 10% increase in the need for blood right now compared to the same time in 2019.

The coming of the Blood Moon will lead two Lycan packs into war, spur two rival brothers into conflict, and spark an act of vengeance so evil that its effects will be felt for generations. One woman stands at the center of it all... After years of waiting, the Blood Law is at last avenged. Lycan Alpha Lucien Mondragon takes revenge on his brother, Rafael. Lucien is poised to slay Rafael's life mate, the Lycan/Slayer half-breed Falon- but cannot complete the kill. For Falon's mystical powers and fiery nature awaken a heart Lucien thought long dead. Instead of ending her life, Lucien defiantly marks Falon as his own, tormenting his brother to insanity and spurning Rafael's blood thirst for his own revenge. Though terrified by the savage Lucien, Falon finds herself inexplicably drawn to his primal rage and strength by a desire she cannot resist. Torn between the true love she has for Rafael and the burning hunger she holds for Lucien, Falon knows that the will of her heart will lead her to her destined life mate. But it may also doom the Alpha brothers-and the Lycan race-to extinction...

Torn between loyalty and love, a young prince will learn how much he ' s willing to sacrifice as he tries to destroy the rebellion that threatens his throne in the exhilarating sequel to Bonds of Brass. " A knockout. " —Publishers Weekly (starred review) Gal ' s destiny has always been clear: Complete his training at the military academy, prove his worth as a royal successor, and ascend to the galactic throne. When a failed assassination plot against Gal sends him and Ettian—his infuriatingly enticing roommate—on a mad dash through the stars, Gal ' s plans are momentarily disrupted. But he was born to rule the Umber Empire, and with Ettian by his side, nothing will stop him from returning home and crushing the growing insurgency threatening his family ' s power. Yet nothing is ever that simple in war—or in love. Gal is captured by the rebellion during a skirmish and faces public execution, his grand fate cut short. To save Gal ' s life, Ettian does the unthinkable. He reveals himself as the secret heir to the fallen Archon Empire and rightful leader of the rebellion . . . and, therefore, Gal ' s sworn enemy. Now a political hostage in this newly reignited conflict, Gal must use his limited resources to sabotage the rebellion from within, concoct an escape plan, and return to the empire he ' s destined to lead. And if that means taking down the man he thought he loved? All the better.

A young pilot risks everything to save his best friend—the man he trusts most and might even love—only to learn that his friend is secretly the heir to a brutal galactic empire. " An exciting space opera full of action and adventure that explores the bonds of loyalty and love, and what happens when they are stretched to their limits. " —Rebecca Roanhorse, Nebula and Hugo award–winning author of Trail of Lightning Ettian ' s life was shattered when the merciless Umber Empire invaded his world. He ' s spent seven years putting himself back together under its rule, joining an Umber military academy and becoming the best pilot in his class. Even better, he ' s met Gal—his exasperating and infuriatingly enticing roommate who ' s made the academy feel like a new home. But when dozens of classmates spring an assassination plot on Gal, a devastating secret comes to light: Gal is the heir to the Umber Empire. Ettian barely manages to save his best friend and flee the compromised academy unscathed, rattled that Gal stands to inherit the empire that broke him, and that there are still people willing to fight back against Umber rule. As they piece together a way to deliver Gal safely to his throne, Ettian finds himself torn in half by an impossible choice. Does he save the man who ' s won his heart and trust that Gal ' s goodness could transform the empire? Or does he throw his lot in with the brewing rebellion and fight to take back what ' s rightfully theirs? Praise for Bonds of Brass " Skrutskie ' s Bonds of Brass is a high-octane galactic adventure replete with heart, drama, and a keen edge of pain. " —Caitlin Starling, author of The Luminous Dead " Full of breathless action and dazzling characters, Bonds of Brass is space opera at its most exciting. " —Adam Christopher, author of Stranger Things: Darkness on the Edge of Town

Two young princes on opposite sides of a galactic war must decide between loyalty and love in this exhilarating finale to the Bloodright Trilogy. Gal emp-Umber and Ettian emp-Archon have never been farther apart. Once, they were roommates and best friends, each suffocating under a secret of galactic consequence. When Gal's came to light—that he was heir to the Umber Empire and all of its brutal conquest—the two were forced to flee their military academy, fall in with a brewing rebellion to reclaim the Archon Empire from Umber's grasp, and face their long-held feelings for one another. Then the rebellion discovered Gal's identity, and Ettian had no choice but to unveil his own secret—that he was the long-lost heir to the Archon throne—to save his life. With Gal as his political prisoner, Ettian began the fight to restore his own empire—and to open Gal's eyes to the possibility of a galaxy reclaimed from Umber's greed. But with an escalating war between them, Gal and Ettian must confront what they owe their empires, their friends, and each other if they're ever to forge a universe where the two of them can be together.

When a brilliant point of light appears in the southern sky, Nathan Oakes is finishing his early-morning run in Central Park. Kathy Stratton is preparing to give a speech in San Francisco. Nikki Jamison is dreaming peacefully in her home near Phoenix, and Oscar Villalobos is grappling with the guilt that fuels his nightmares. None are yet aware of how much that strange light in the sky will change their lives. By the time it begins sending a digital signal, though, Kathy Stratton, science advisor to the president, knows that a turning point in the human story has been reached. Aliens have made contact. Soon after they land on a rural stretch of road west of Phoenix, Nikki Jamison and Oscar Villalobos slip unnoticed into the tiny red spaceship and learn the hard way that Zeke and Simon aren't the friendly back-slappers they pretend to be. Trapped in a weird, impossibly vast labyrinth inside the ship, knowing their chances for survival are slim, Nikki and Oscar discover the truth about the aliens. They also learn about the complex network of interaction between sentient species throughout the universe, and the elegantly simple system of law that holds it all together—and they learn that a partnership with Zeke and Simon will not bring riches to the human race. Instead, it will bring extinction.

The chilling story of Mircea's return to Wallachia is set against a background so historically authentic that it seems almost too real for the reader to bear. . . . Mircea chronicles the genesis of Dracula, the vampire whose fearful presence would bring a fate literally worse than death to thousands.

Karin Tabke, author of The Chronicles of Katrina, continues her exciting, passion-filled Blood Moon Rising trilogy with Bloodright, a sizzling paranormal romance, perfect for fans of Sylvia Day's Renegade Angels, Laurell K. Hamilton's Anita Blake and J. R. Ward's Black Dagger Brotherhood. The coming of the Blood Moon will lead two Lycan packs into war, spur two rival brothers into conflict, and spark an act of vengeance so evil that its effects will be felt for generations. And one woman stands at the centre of it all... After years of waiting, the Blood Law is at last avenged. Lycan Alpha Lucien Mondragon takes revenge on his brother Rafael. Lucien is poised to slay Rafael's life mate, the Lycan/Slayer half-breed Falon - but cannot complete the kill. For Falon's mystical powers and fiery nature awaken a heart Lucien thought long dead. Instead of ending her life, Lucien defiantly marks Falon as his own, tormenting his brother to insanity and spurning Rafael's blood thirst for his own revenge... What happens next? Don't miss the sexy, thrilling conclusion to the Blood Moon Rising trilogy in Blood Vow or see where it all began in Blood Law.

Gothic fantasy meets vampire fiction in this debut novel from Kristen Painter - full of politics, intrigue, and blood. Born into a life of secrets and service, Chrysbelle's body bears the telltale marks of a comarré -- a special race of humans bred to feed vampire nobility. When her patron is murdered, she becomes the prime suspect, which sends her running into the mortal world...and into the arms of Malkolm, an outcast vampire cursed to kill every being from whom he drinks. Now, Chrysbelle and Malkolm must work together to stop a plot to merge the mortal and supernatural worlds. If they fail, a chaos unlike anything anyone has ever seen will threaten to reign.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library ' s new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany ' s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote ' s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the " new journalism. " Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. " I thought he was a very nice gentleman, " he says of Herb Clutter. " Soft-spoken. I thought so right up to the moment I cut his throat. " Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ' flight, Capote ' s account is so detailed that the reader comes to feel almost like a participant in the events.
