Born in Blood is the first full-length book in her Sentinels series. I am an Alexandra Ivy fan and have read her Guardians of Eternity series so I was excited to start a new series by this author. I really enjoyed this new world and look forward to future books. The story is about a world where supernaturals are "out" to the humans.

Born in Blood is the first book in Alexandra Ivy's new series, The Sentinels. The world building was incredible (Valhalla and characters with mystical abilities? Oh. Hell. Yes.), a couple of the secondary characters have me beyond intrigued, and the overall plot was good. That being said, there were a couple of things that didn't work for me.
