5.0 out of 5 stars Born of the desert. 12 June 2017. Format: Kindle Edition Verified Purchase. Superb read very brave men fighting a hard fought war going through lots of emotions what would think of the mess we are in today and how would the cope !!! One person found this helpful.

Amazon.co.uk:Customer reviews: Born of the Desert: With ...

Born Of The Desert by Malcolm James is a personal account of Dr. Malcolm James Pleydell's time spent as the medical officer for the 1st Special Air Service (SAS) during the World War II battles in North Africa during 1942 - 1943. It is a very good book to read about the experiences of both SAS and Long Range Desert Group (LRDG) personnel in the hostile desert as they returned from raids against the Italians and Germans or prepared for their next ones.

Collected together for the first time in a single volume are seven of Louis L'Amour's finest Western stories. The texts have been restored to how they appeared in their initial publication.

The first graphic novel adaptation of the work of master storyteller Louis L'Amour is a dynamic tale of the Old West that explores the borderlands of loyalty and betrayal with the emotional grittiness of a noir thriller. New Mexico, 1887, a land in the midst of the worst drought anyone can remember. Family histories and loyalties run deep, but when rancher Tom Forrester has his access to the Pecos River cut off by the son of his old partner, he convinces his foreman, Shad Marone, to pay Jud Bowman back for the discourtesy. Yet what starts as a simple act of petty revenge quickly spirals into a cycle of violence that no one can control. Now Marone is on the run, pursued by a sheriff's posse across a rugged desert landscape. Leading the chase is Jesus Lopez, a half-Mexican, half-Apache with a personal stake in bringing Shad to justice. Newly released from jail, trusted by no one, Lopez swears he's the only man who can track Marone down. That may be true. But who will live and who will die and what price will be paid in suffering are open questions. Fate and the Jornada del Muerto desert possess a harsh justice that is all their own. With a propulsive script from Beau L'Amour and Kathy Nolan, adapted by Charles Santino and illustrated in bold black-and-white by Thomas Yeates, *Law of the Desert Born* captures the dust and blood of Louis L'Amour's West—a world where the difference between a hero and a villain can be as wide as the gap between an act of kindness or brutality or as narrow as a misspoken word. Praise for *Law of the Desert Born* "This actually may be the story's ideal form, since the author's son Beau came to realize that the core of the tale was the tense relationship between [Marone] and Lopez. . . . The graphic novel version provides room to develop this theme. Yeates's black-and-white depiction of the rugged landscape and the hard-bitten characters is superb. The result is stunning and richly textured."—Publishers Weekly "[An] interesting tale of range rivalries turned bloody . . . Fans of L'Amour's stories should enjoy this work, adults or teens."—Library Journal "Readers are in for a real treat—with an amazing level of detail and ambience that breathes new life into Louis L'Amour's already stunning story."—Cowboys & Indians "A masterpiece both in story and art that complements the mood."—It's All Comic to Me

A PRIZED COLLECTION OF AMERICAN FICTION—FROM AMERICA'S FAVORITE STORYTELLER This first-rate collection of short stories by the incomparable Louis L'Amour showcases the legendary writer at his very best: spinning a fascinating and wholly authentic set of unforgettable tales. In these extraordinary stories, we meet a man who is forced to defend himself by taking another's life—and must pay for his actions in a most punishing manner; a young thrill-seeker who finally finds a place he can call home, and vows to stay there—regardless of the man who tries to stand in his way; and a drifter who honors a deathbed promise to a stranger by embarking on an unlikely mission of mercy. Complete with revealing author's notes, the stories in *Law of the Desert Born* are historically precise, and filled with L'Amour's trademark humor and adventure. They are nothing less than modern

classics of the American West, told by one of the most beloved storytellers of our time.

A collection of short stories depicting the struggles of frontiersmen to survive the harsh conditions of the American West and defeat deadly outlaws.

Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

"The definitive work on the West's water crisis." --Newsweek The story of the American West is the story of a relentless quest for a precious resource: water. It is a tale of rivers diverted and dammed, of political corruption and intrigue, of billion-dollar battles over water rights, of ecological and economic disaster. In his landmark book, *Cadillac Desert*, Marc Reisner writes of the earliest settlers, lured by the promise of paradise, and of the ruthless tactics employed by Los Angeles politicians and business interests to ensure the city's growth. He documents the bitter rivalry between two government giants, the Bureau of Reclamation and the U.S. Army Corps of Engineers, in the competition to transform the West. Based on more than a decade of research, *Cadillac Desert* is a stunning expose and a dramatic, intriguing history of the creation of an Eden--an Eden that may only be a mirage. This edition includes a new postscript by Lawrie Mott, a former staff scientist at the Natural Resources Defense Council, that updates Western water issues over the last two decades, including the long-term impact of climate change and how the region can prepare for the future.
