Breadcrumbs by Anne Ursu--Chapter 22: The Snow Queen ~~Breadcrumbs Anne Ursu~~

" In Breadcrumbs, Anne Ursu leaves a trail for us to follow into the dark woods of the school playground and the enchanted forest, as Hazel goes in search of her dearest friend, Jack, who has been enchanted and is growing away from her. The crumbs that lead us are stories that point the way toward understanding and acceptance of loss and sorrow and change, and that shout to us of hope and friendship and love.

~~Anne Ursu - Breadcrumbs~~

We did stick it out, but it was a frustrating and unrewarding struggle. BREADCRUMBS, written by Anne Ursu, tells the story of Hazel Anderson, a Minneapolis fifth-grader who is concerned that her best friend, Jack, has been magically altered or injured so that his personality is completely changed.

~~Breadcrumbs by Anne Ursu - Goodreads~~

The winner of numerous awards and recipient of four starred reviews, Anne Ursu's Breadcrumbs is a stunning and heartbreaking story of growing up, wrapped in a modern-day fairy tale. Once upon a time, Hazel and Jack were best friends. But that was before he stopped talking to her and disappeared into a forest with a mysterious woman made of ice.

~~Amazon.com: Breadcrumbs (Audible Audio Edition): Anne Ursu ...~~

This novel from Anne Ursu and illustrated by Erin McGuire is a thing of beauty in both art and story, drawing not only from the fables of Hans Christian Andersen (including the Snow Queen, the red dancing shoes, and the little matchgirl, amongst others), but also the contemporary works that have captured imaginations – including Philip Pullman, J.K. Rowling and Stan Lee. Ms. Ursu manages to pull from those influences and create a unique, utterly memorable work of art of her own.

leave behind.

Anne Ursu, author of the National Book Award nominee *The Real Boy*, returns with a story of the power of fantasy, the limits of love, and the struggles inherent in growing up. When you're an identical twin, your story always starts with someone else. For Iris, that means her story starts with Lark. Iris has always been the grounded, capable, and rational one; Lark has been inventive, dreamy, and brilliant—and from their first moments in the world together, they've never left each other's side. Everyone around them realized early on what the two sisters already knew: they had better outcomes when they were together. When fifth grade arrives, however, it's decided that Iris and Lark should be split into different classrooms, and something breaks in them both. Iris is no longer so confident; Lark retreats into herself as she deals with challenges at school. And at the same time, something strange is happening in the city around them, things both great and small going missing without a trace. As Iris begins to understand that anything can be lost in the blink of an eye, she decides it's up to her to find a way to keep her sister safe.

National Book Award Longlist \* Bank Street Children's Book Committee Best Book of the Year  
"Beautifully written and elegantly structured, this fantasy is as real as it gets."—Franny Billingsley, author of *Chime*  
*The Real Boy*, Anne Ursu's follow-up to her widely acclaimed and beloved middle grade fantasy *Breadcrumbs*, is a spellbinding tale of the power we all wield, great and small. On an island on the edge of an immense sea there is a city, a forest, and a boy named Oscar. Oscar is a shop boy for the most powerful magician in the village, and spends his days in a small room in the dark cellar of his master's shop grinding herbs and dreaming of the wizards who once lived on the island generations ago. Oscar's world is small, but he likes it that way. The real world is vast, strange, and unpredictable. And Oscar does not quite fit in it. But now that world is changing. Children in the city are falling ill, and something sinister lurks in the forest. Oscar has long been content to stay in his small room in the cellar, comforted in the knowledge that the magic that flows from the forest will keep his island safe. Now even magic may not be enough to save it.

With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for *Frozen*, Hans Christian's Andersen's "The Snow Queen" is one of the most beloved fairy tales in history. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

After her cousin Zee arrives from England, thirteen-year-old Charlotte and he must set out to save humankind from denizens of the underworld, Nightmares, Death, Pain, and a really nasty guy named Phil.

From the acclaimed author of *The Real Boy* and *The Lost Girl* comes a wondrous and provocative fantasy about a kingdom beset by monsters, a mysterious school, and a girl caught in between them. If no one notices Marya Lupu, is likely because of her brother, Luka. And that's because of what everyone knows: that Luka is destined to become a sorcerer. The Lupus might be from a small village far from the capital city of Illyria, but that doesn't matter. Every young boy born in the kingdom holds the potential for the rare ability to wield magic, to protect the country from the terrifying force known only as the Dread. For all the hopes the family has for Luka, no one has any for Marya, who can never seem to do anything right. But even so, no one is prepared for the day that the sorcerers finally arrive to test Luka for magical ability, and Marya makes a terrible mistake. Nor the day after, when the Lupus receive a letter from a place called Dragomir Academy—a mysterious school for wayward young girls. Girls like Marya. Soon she is a hundred miles from home, in a strange and unfamiliar place, surrounded by girls she's never met. Dragomir Academy promises Marya and her classmates a chance to make something of themselves in service to one of the country's powerful sorcerers. But as they learn how to fit into a world with no place for them, they begin to discover things about the magic the men of their country wield, as well as the Dread itself—things that threaten the precarious balance upon which Illyria is built.

As Philonecron plots to destroy the gods, transform the Underworld, destroy humanity, and remodel Olympus, Mr. Metos takes thirteen-year-old cousins Charlotte and Zee to join the Prometheans, who have an age-old weapon that may help protect them.

Fresh off a fearsome encounter with the Neverland crocodile, Jocelyn Hook decides the most practical plan is to hunt down her father's famous fortune. After all, she'll need the gold to fund her adventuring in the future. (And luckily, Hook left her the map.) But the map proves to be a bit harder to crack than Jocelyn had hoped, and she's convinced that the horrible Peter Pan might be the only one with the answers. Of course, he doesn't really feel like helping her, so Jocelyn takes the only reasonable course of action left to her: she kidnaps his mother. Evie, though, is absolutely thrilled to be taken prisoner, so Jocelyn's daring ploy doesn't have quite the effect she'd planned for. Along with the problem of her all-too-willing captive, Jocelyn must also contend with Captain Krueger, whose general policy is that no deed is too dastardly when it comes to stealing Hook's treasure. And with the ever-shifting Whens of the Neverland working against her as well, Jocelyn, Evie, Roger, and the rest of the Hook's Revenge crew have their work cut out for them. In this rambunctious showdown between characters new and old, Jocelyn puts her own brand of pirating to the test in a quest to save her future and those she loves. Praise for *Hook's Revenge* "Whether a fan of J.M. Barrie's classic tale or new to Neverland, readers will be clamoring for more from this enchanting world." -- *School Library Journal*, starred review "Readers will delight both the story and the storytelling." -- *Bulletin of the Center for Children's Books*, starred review "Featuring a lively, colorful cast, and a droll narration with snarky asides by an anonymous, self-proclaimed pirate authority, this entertaining take on the Peter Pan story neatly blends action-adventure and comical and heartfelt moments." -- *Booklist*
