How will an anorexic seventeen-year-old girl from the suburbs fare as one of the Four Horsemen of the Apocalypse? Traveling the world on her steed gives Lisa freedom from her troubles at home—her constant battle with hunger, and her struggle to hide it from the people who care about her. But being Famine forces her to go places where hunger is a painful part of everyday life, and to face the horrifying effects of her phenomenal power. Can Lisa find a way to harness that power and the courage to fight her own inner demons? A wildly original approach to the issue of eating disorders, *Hunger* is about the struggle to find balance in a world of extremes, and uses fantastic tropes to explore a difficult topic that touches the lives of many teens.

Fifteen-year-old Billy Ballard is the kid that everyone picks on. But things change drastically when Death tells Billy he must stand in as Pestilence, the White Rider of the Apocalypse. Now armed with a Bow that allows him to strike with disease from a distance, Billy lashes out at his tormentors...and accidentally causes an outbreak of meningitis. Horrified by his actions, Billy begs Death to take back the Bow. For that to happen, says Death, Billy must track down the real White Rider, and stop him from unleashing something awful on humanity—something that could make the Black Plague look like a summer cold. Does one bullied teenager have the strength to stand his ground—and the courage to save the world?

But after the party where she was humiliated in front of practically everyone in school, who could blame her for wanting some comfort? Sure, most people don't find comfort in the touch of a razor blade, but Missy always was . . . different. That's why she was chosen to become one of the Four Horsemen of the Apocalypse: War. Now Missy wields a new kind of blade—a big, brutal sword that can cut down anyone and anything in her path. But it's with this weapon in her hand that Missy learns something that could help her triumph over her own pain: control. A unique approach to the topic of self-mutilation, *Rage* is the story of a young woman who discovers her own power and refuses to be defeated by the world. *Rage* includes a teaser chapter of the next book in the Riders of the Apocalypse series, *Loss*.
