challenge your friends with BTS knowledge. Have fun and LOVE YOURSELF!-Are You A.R.M.Y Enough?-- V cherishes the memory of drinking THIS from a vending machine with his grandma on the way home from kindergarten.- Jimin, who entered the dorm a year later than V, visited V's room to say hi, and encountered him wearing nothing but THIS.- Jin loves THIS so much that Billboard.com featured a compilation of THIS in June, 30th, 2017.- Suga worked part-time as THIS when he was a trainee because he was strapped on cash.- J-Hope had to greet the New Year by himself in the dorm because all other members went back home, but Suga showed up with THIS, and he was moved.- While filming the V-Live Show "Bon Voyage", RM went on a trip to Northern Europe with the members. He started losing his personal belongings and eventually lost THIS. He had to return home.- Jungkook gains muscle very easily, and Jin remarked that he's got the type of body that gains muscle just from DOING THIS.- Jimin used to be a very picky eater but his mom never scolded him BECAUSE?And many many more!

Join BTS's ARMY and learn the history of the international K-POP sensation! BTS (aka Bangtan Sonyeondan) has become one of K-POP's most well-known singing groups. The seven-member Korean boy band formed in 2013 and has slowly grown to worldwide fame through their music. Despite slow beginnings, the K-POP group now has millions of listeners around the world. They led the Korean Wave of music into the United States in 2017, and as of 2019, they are the only Korean group to top the US Billboard 200, and the first group since the Beatles to have three number-one albums in less than a year. BTS is also known for breaking the mold of K-POP, including social topics such as mental health, individualism, and social commentary in their hip-hop lyrics. TIME Magazine named the Korean Pop group as one of the 25 most influential people on the internet and named them as one of TIME's 100

-And Much More! Give a gift like no other to the special ARMY in your life, or get this book for yourself and stimulate your mind. This book will provide you hours of entertainment! Add this book to cart and see for yourself!

There are two sides to the BTS story. The all too familiar rags to riches odyssey in which seven young South Korean boys (RM, Suga, V, J-Hope, Jin, Jimin, Jungkook) emerge from obscurity to become true superstars in the pop music universe. Of equal importance was the relationship between the wide-eyed group members and the forward-thinking head of their record company, Bang Si-hyuk, which resulted in newfound freedom and a new way of creating the K-Pop sound. Both of these elements and more are the subject of the book *Burn the Stage: The Rise of BTS and Korean Boy Bands* by New York Times-bestselling author Marc Shapiro. This timely look at BTS and the K-Pop genre, told in quotes and anecdotes from BTS, delves into the history of K-Pop music, its pivotal twists and turns, insights into the modern K-Pop training and audition process, as well as the rise of BTS and their personal and professional development on the road to worldwide popularity. Author Marc Shapiro acknowledges that making the BTS story more than a mere rehashing of familiar material was a challenge. “This was an opportunity to follow the story of what many considered ‘The Next Big Thing’ hand in hand with the group in fairly real time. Seeing what they experienced as it happened rather than looking back on their lives years later. There was a sense of immediacy that appeared more in tune with the way the world turns now. Which is fast.” As with the current state of pop culture, BTS and the K-Pop world are constantly evolving and presenting new challenges and ideas. *Burn the Stage: The Rise of BTS and Korean Boy Bands* chronicles BTS in the now. There will certainly be a future.
