1. Attend Business Networking Events. The first step in successful networking is knowing where you should go to make connections. While almost any activity or event can serve as a networking opportunity, small business owners and professionals with local businesses should attend local business events. For example, your city's chamber of commerce might host gatherings for people in your industry.

A business network is a cloud platform that connects and manages all data, within the enterprise and outside the firewall. Securely connecting data with people, systems and things enables streamlined business processes and delivers new insights and value. Business networks lay the necessary foundation for turning data into actionable insights.
