It can be said of very few books that the world was changed as a result of its publication - but this is certainly the case of Capital: A Critique of Political Economy by Karl Marx (1818-1883). Volume 1 appeared (in German) in 1867, and the two subsequent volumes appeared at later dates after the author's death - completed from extensive notes left by Marx himself.

Capital Volume 1 is, in fact, a richly informative and very difficult piece of world-class research. I imagine that most readers who take its full measure will come back to it again and again. I can't imagine doing justice to Capital Volume 1 without putting forth the kind of effort that makes for the creation of a life-long connection.
