Have you ever heard the saying "money can't buy happiness"? Well, it's bulls*it. Why do we spend 40+ hours per week working if the goal of monetary gain doesn't make you happy? Let's be honest and call it what it is, money is simply a tool to provide you with opportunity. These favorable circumstances open doors and provide you the ability to focus on your passions. You have the ability to attain a 6 or 7 figure net worth, you just need a proven pathway to get there. Imagine how much more free your life would be. This book will give you all the necessary tools to reach your financial goals with the focus on three financial pillars: budgeting, investing, and getting out of debt. Also, I will show you how to build multiple streams of income. International travel can be daunting to the untrained eye. This book will give you the critical tools to get you from your house to your most desired exotic location. After you are walked through how to get a passport, I will show you the best places to buy your plane tickets. You will be presented vital tips, such as countries to travel to first. I call these "training wheel" countries. Lastly, what are the 10 Travel Commandants? Trust me when I tell you these are vital pieces of advice that will save you money, time, and embarrassment.

Academic and Student Affairs in Collaboration provides a comprehensive and evidenced-based understanding of the partnerships necessary to achieve an institutional culture devoted to student success. Chapter authors explore how to design, implement, and assess collaborative efforts between student and academic affairs in support of increased student success. This book provides best practices for fostering and enhancing campus dialogue, career development pathways, academic support services, and other important initiatives to increase retention and learning outcomes, improve motivation and goal attainment, and enhance institutional accountability. This book is a must-read for scholars, faculty, leaders, and practitioners in Student Affairs and Higher Education interested in achieving student success at their universities and colleges.

The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts. We welcome manuscripts based on cutting-edge research from a wide variety of theoretical perspectives and methodological orientations. The editorial team is particularly interested in working with international authors, authors from traditionally marginalized populations, and in work that is relevant to practitioners around the world. Growing numbers of educators and professors look to the six bimonthly issues to: deal with problems directly related to contemporary
