Customer Service Training Manual. Consistent and thorough customer service training is essential—even when customers already seem satisfied. LinkedIn reports that only 4 percent of disappointed customers complain to staff members, but nine out of 10 never return. Internal customer service training must be standardized to avoid serious discrepancies that result in customer churn.

## **Cashier Training Manual - David's BBQ & Catering**

Cashier training should ideally be done over the course of several shifts, as it involves a great deal of information. Try to train cashiers during slow periods, and allow them to learn by doing. Hands-on learning is usually most effective. Once the cashier has the basic transaction procedures down, try role-playing as a customer to test his ...
