CCDE - Cisco

- The CCDE certification enables these highly experienced Network Infrastructure Designers to be identified in the marketplace The CCDE certification is a certification that identifies those with expert-level knowledge and skills in Infrastructure Design. CCDE is parallel to CCIE in

terms of difficulty, and expertise.

Cisco Certified Design Expert CCDE

In order to bridge that gap, we created a new study guide specifically for CCNPs and CCNAs, which is an expanded version of our existing R&S study guide. Regardless, if you feel that you are struggling with some of the concepts, I urge to tap into tremendous amount of other study resources that are out there, most of them free in the form of books, articles and blog posts.
