Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Describes the struggle for civil rights for African-Americans in the 1950s and 1960s and profiles important civil rights leaders. Includes suggested activities.

This volume discusses the Americans with Disabilities Act (ADA) and the rights it guarantees to those with disabilities including employment, transportation, public accommodations, government services, telecommunications, and access to public marketplaces. Also covers legislative provisions which are not part of the ADA. The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to everyday life and to keep readers informed of their rights and remedies under the law. Each volume in the series presents an explanation of a specific legal issue in simple, clearly written text, making the Almanac a concise and perfect desktop reference tool. All volumes provide state-by-state coverage. Selected state statutes are included, as are important case law and legislation, charts and tables for comparison.

This up-to-date analysis of the Supreme Court ' s landmark rulings on civil rights and liberties is a discussion of the facts, legal issues, and constitutional questions surrounding those rulings. Domino ' s book serves as either a core text in courses on civil liberties and civil rights, or as a supplementary text in courses on constitutional law and the judiciary. The book is written in the belief that the key to understanding constitutional law is not having the right answers but asking the right questions. It encourages students to be critical thinkers and provides a historical context so students can better understand competing social, legal, and political interests affecting the Supreme Court ' s decisions today. The text also includes numerous short excerpts from some of the more influential, eloquent, and controversial Supreme Court opinions to illustrate the handiwork of the powerful legal minds who have helped to shape our society. It reminds us that " the Court" is not an abstract legal mechanism, but rather a group of human beings with divergent opinions. New to the Fourth Edition Up-to-date discussion of recent rulings, from the standpoint of the Court as a Cultural Tribunal, including: freedom of expression, including hate speech and the historic Citizens United case on campaign finance freedom of religion, including prayer during public meetings and the controversial Hobby Lobby case on corporate religious belief social issues, including reproductive rights & abortion and the landmark Obergefell case on same-sex marriage New section on obscenity and the First Amendment, including discussion of Internet pornography Expanded discussion of the use of GPS and thermal scanning technology by law enforcement and issues surrounding mobile phone privacy The nomination and confirmation politics surrounding the death of Antonin Scalia, the failed nomination of Merrick Garland, and the confirmation of Trump appointee Neil Gorsuch Analysis and comparison of the Roberts Court to the Rehnquist, Burger, and Warren Courts, revisiting the question of counterrevolution that set the theme for previous editions

This book explains why America can realize the civil rights dream in the 21st century—if U.S. citizens take actions as individuals as well as work together for equality. • Asks—and answers—the troubling question: Why have the civil rights hopes of the 1960s not yet been realized? • Demonstrates the relationship between what happens in everyday life and racism's persistence • Provides insightful historical context for racism as it exists in the 21st century • Presents a framework for understanding how social forces preserve racism • Offers a refreshingly optimistic perspective that racism can be overcome

Representing the combined work of more than forty leading compliance attorneys, Corporate Compliance Answer Book helps you develop, implement, and enforce compliance programs that detect and prevent wrongdoing. You'll learn how to: Use risk assessment to pinpoint and reduce your company's areas of legal exposure Apply gap analysis to detect and eliminate flaws in your compliance program Conduct internal investigations that prevent legal problems from becoming major crises Develop records management programs that prepare you for the e-discovery involved in investigations and litigation Satisfy labor and employment mandates, environmental rules, lobbying and campaign finance laws, export control regulations, and FCPA anti-bribery standards Make voluntary disclosures and cooperate with government agencies in ways that mitigate the legal, financial and reputational damages caused by violations Featuring dozens of real-world case studies, charts, tables, compliance checklists, and best practice tips, Corporate Compliance Answer Book pays for itself over and over again by helping you avoid major legal and financial burdens.

Set in Alabama in the 1960s, Southern Crossfire tells the story of a white Auburn University student, Duke, who becomes involved in the black voter registration project in nearby Tuskegee. Since he has several friends from Tuskegee, the project leaders convince him to use these relationships to supply information about the plans and activities of local Klansmen. As the story unfolds, Duke encounters many of the social issues that made the '60s such a tumultuous time—loosening sexual practices, drugs, abortion, interracial relationships, even a passing reference to homosexuality. The story has elements of intrigue and betrayal, violence and romance, philosophy and frivolity. Historical characters appear and lend realism to this fictional story—that just could have happened.

A stirring new portrait of one of the most important black leaders of the twentieth century introduces readers to the fiery woman who inspired generations of activists. (Social Science)
