General funds - General fund refers to the funds that report the use of the funds for day-to-day operating activities, which is not reported in any other type of funds. Permanent funds - Permanent fund refers to the funds that are established to report for the funds that are used to support the government programs and are legally restricted to use only the earnings for the purpose.

Chapter 2 Solutions | Governmental And Nonprofit

As explained in Chapter 2, fiduciary fund resources belong to external parties, not the government. Reporting increases (decreases) in fiduciary net position as revenues (expenses) would imply the resources can be (were) used at the discretion of the government. To avoid this impression, GASB standards use the terms additions
