Choose The Best Answer: (write your answer here)

Sometimes the best answer is the longest one or the one that has the most specificity. This is not likely to happen with the NREMT exam because they check for such item-writing “ errors, ” but you never know. A test item may ask you a sequencing question — what you should do next, for example. If you ’ re trying to choose between two answers, look to see whether there ’ s an order to how things
