grade kids will write why they like her. Clementine's best friend Margaret has all sorts of crazy ideas for how Clementine can prove to the class she is a good friend. Clementine has to get a great booklet, so she does everything Margaret says she should do. But what begins as one of the best weeks ever starts turning into the worst, and being a good friend might turn out harder than Clementine thinks.

~~Clementine Friend of the

I love Clementine! By
reading Clementine, Friend
of the Week, I've finally

caught up to read the most recent brilliant addition to the books about Clementine. I enjoyed this one very much. The books, besides being clever and funny, are gaining in some depth. There were several plot threads, all related to friendship, that all twined together in this book, even though the storyline is quite simple.
