Patricia Santhuff Over

What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories

seem very different,

confusing, conflicting,

and often violent and

divisive. But when

read symbolically and

internally, they are all

telling the same story.

They show us the

path of spiritual

awakening and

enlightenment.

Sometimes the story

is called "Returning to

the Promised Land."

Sometimes it's called

"Seeking the Holy
Grail." Sometimes it's
called "Persephone's

Return to Olympus."

But whatever it's
called, the inner
meaning and purpose
is always the same.

The stories are all a
call to awaken, to live
passionately and
consciously, and to

enlightenment and
communion with the
divine. The door is

always open. The

light is always ready
to receive us. But we
have to learn how to

tread the path!

what all the sacred

about. **THE DOOR IS**
