THE NATIONAL BESTSELLER The second book of Larry McMurtry's Lonesome Dove tetralogy, Comache Moon takes us once again into the world of the American West. Texas Rangers August McCrae and Woodrow Call, now in their middle years, continue to deal with the ever-increasing tensions of adult life -- Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him. Two proud but very different men, they enlist with the Ranger troop in pursuit of Buffalo Hump, the great Comanche war chief, Kicking Wolf, the celebrated Comanche horse thief, and a deadly Mexican bandit king with a penchant for torture. Assisting the Rangers in their wild chase is the renowned Kickapoo tracker, Famous Shoes. Comanche Moon closes the twenty-year gap between Dead Man's Walk and Lonesome Dove, following beloved heroes Gus and Call and their comrades in arms -- Deets, Jake Spoon, and Pea Eye Parker -- in their bitter struggle to protect the advancing West frontier against the defiant Comanches, courageously determined to defend their territory and their way of life.

These are the wild days when Gus McCrae and Woodrow Call - heroes of Lonesome Dove - first encounter the untamed frontier that will form their characters.Not yet twenty, Gus and Call enlist as Texas Rangers under the command of Caleb Cobb, a capricious outlaw determined to seize Santa Fe from the Mexicans. The two young men experience their first great adventure in the barren, empty landscape of the great plains, in which arbitrary violence is the only law - whether from nature, or from those whose territory they must cross in order to reach New Mexico.Danger, sacrifice and fear test Gus and Call to the limits of endurance, as they seek the strength and courage to survive against almost insurmountable odds in the West of early nineteenth-century America.

Best known for his Pulitzer Prize–winning novel Lonesome Dove and his Academy Award–winning screenplay for Brokeback Mountain, Larry McMurtry is the author of twenty-nine novels, three memoirs, two collections of essays, and more than thirty screenplays. In Understanding Larry McMurtry, Steven Frye considers a broad range of McMurtry’s most important novels and offers detailed textual analyses of works such as Horseman, Pass By, The Last Picture Show, Moving On, and Lonesome Dove to reveal the manner in which McMurtry engages the human condition. Characters are at the heart of McMurtry’s fiction, whether they are nineteenth- or twentieth-century ranchers, modern rodeo men, or women grappling with the angst and confusion of life in the suburbs of Houston. He has created characters rich in texture, such as Augustus McCrae and Woodrow Call, not only to encourage an understanding of the persistent force of American mythology but also to transcend type so that they emerge as quintessentially human figures grappling with circumstances beyond their control. McMurtry portrays with depth and insight the conundrums of the modern moment and its relation to heritage, and he deals as well with the intensities of the human mind as it negotiates with a complex and sometimes indifferent world. In Understanding Larry McMurtry, Frye offers a comprehensive treatment of one of the most important living authors, one who has emerged as a central figure in a rich and compelling contemporary canon.

The timeless, bestselling four-part epic that began with the Pulitzer Prize-winning Lonesome Dove takes readers into the lives of Augustus McCrae and Woodrow Call, two tough-as-nails Texas Rangers in the heyday of the Old West. Dead Man’s Walk As young Texas Rangers, Augustus McCrae and Woodrow Call--"Gus" and "Call" for short--have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians, but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life. Comanche Moon Texas Rangers August McCrae and Woodrow Call, now in their middle years, are still figuring out how to deal with the ever-increasing tensions of adult life--Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him--when they sign up to pursue the Comanche horse thief Kicking Wolf into Mexico. On this mission their captain, Inish Scull, is captured by the brutally cruel Mexican bandit Ahumado, and Gus and Call must come to the rescue, with the aid of new friends including Joshua Deets, Jake Spoon, and Pea Eye Parker, as well as the renowned Kickapoo tracker, Famous Shoes. Lonesome Dove Gus and Call, now retired from the Texas Rangers and settled in the border town of Lonesome Dove running the Hat Creek Cattle Company, are visited by their old friend Jake Spoon, who convinces Gus and Call to gather a herd of cattle and drive them north to Montana in order to start a cattle ranch in untouched territory. Gus is further motivated by a desire to see the love of his life, Clara Allen (nee Forsythe), who now lives with her children and comatose horse-trader husband in Ogallala, Nebraska. On the way to Montana they travel through wild country full of thieves, murderers, and a lifetime's worth of unforgettable adventure. Streets of Laredo Woodrow Call is back in Texas, a Ranger once again and a general gun-for-hire, but increasingly a relic as the westward sprawl of the railroads rapidly settles the once lawless frontier. Hired by a railroad tycoon to hunt down a dangerous bandit named Joey Garza, Call sets out once again with a hapless Yankee named Ned Brookshire who works for the railroad company that hired Call. Call's old friend Pea Eye Parker--who initially refused to join the expedition because of his family--sets off with the Kickapoo tracker Famous Shoes to try to catch up with Call, until he runs into troubles of his own. The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and, finally, into the vast, relentless plains of the Texas frontier.

Book Report, Inc., based in New York City, profiles the American author Larry McMurtry(1936-), who writes westerns. Excerpts and reviews of McMurtry's books are available online, and include "Paradise," "Comanche Moon, " and "Lonesome Dove.". A photographic image of McMurtry is provided.

I, Tillie Jean Rock, am not in love with my brother's teammate. Sure, he might have those biceps and that "I am the grouchiest of grouchy bears" smolder, and he might shovel snow off his driveway next door wearing nothing but boxer shorts and rubber boots, and he might be running a side business feeding all the stray goats in town, but studliness is only skin-deep. And I might flirt with him every chance I get, but I swear it's only to annoy my brother. And him. Because Max Cole? Under all of those glorious muscles and chiseled cheekbones and searing glares beats the heart of a heartless devil. I could no sooner fall in love with a guy who treats me like a kid, and judges me at every opportunity, and sets an army of garden gnomes loose on my yard, than I could fall in love with my grandfather's pet parrot. But I can definitely annoy him. I can one hundred percent get on board with annoying him. That's what you do when you don't like your neighbor, right? But you know what they say about love and hate... It's a very thin line. Especially when the real reason I'm not in love with Max Cole-that he's incapable of love-might not be true at all. The Grumpy Player Next door is a fun-filled enemies-to-lovers romcom featuring a ray of sunshine on a mission, an athlete who's only grouchy around her, and an epic prank gone wrong. It stands alone and comes complete with small-town shenanigans, a goat who's not nearly as wise as his name suggests, and proof that sometimes, love is the best kind of vengeance.

You know those stories where an adorably misunderstood clumsy girl needs a fake date to a wedding so she asks her brother's best friend and they accidentally fall in love? I wish that was the kind of life I lead, but it's not. I don't need a date to a wedding. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. I'm just your average girl, standing in front of a funeral invitation, asking it to be a winning lottery ticket instead. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take. After all-what could go wrong at a funeral? I Pucking Love You is a hilariously wrong romantic comedy about the world's worst matchmaker, a hockey player with a problem he doesn't want to talk about, and an awkward date-of-convenience that everyone would prefer to forget. It comes complete with a cat working his way through his nine lives, all the sexy times, fish and chips, and a swoony happily-ever-after.
