Myke Cole continues to blow the military fantasy genre wide open with an all-new epic adventure in his highly acclaimed Shadow Ops universe—set in the early days of the Great Reawakening, when magic first returns to the world and order begins to unravel... US Navy SEAL Jim Schweitzer is a consummate professional, a fierce warrior, and a hard man to kill. But when he sees something he was never meant to see on a covert mission gone bad, he finds himself—and his family—in the crosshairs. Nothing means more to Jim than protecting his loved ones, but when the enemy brings the battle to his front door, he is overwhelmed and taken down. That should be the end of the story. But Jim is raised from the dead by a sorcerer and recruited by a top secret unit dabbling in the occult, known only as the Gemini Cell. With powers he doesn't understand, Jim is called back to duty—as the ultimate warrior. As he wrestles with a literal inner demon, Jim realizes his new superiors are determined to use him for their own ends and keep him in the dark—especially about the fates of his wife and son...

In Myke Cole ' s latest high-octane, action-packed military fantasy, the fate of undead Navy SEAL James Schweitzer will be decided—one way or another... The Gemini Cell took everything from Jim Schweitzer: his family, his career as a Navy SEAL, even his life. Hounded across the country, Schweitzer knows the only way he can ever stop running, the only way his son can ever be safe, is to take the fight to the enemy and annihilate the Cell once and for all. But the Cell won ' t be easily destroyed. Out of control and fighting a secret war with the government it once served, it has dispatched its shadowy Director to the far reaches of the subarctic in search of a secret magic that could tip the balance of power in its favor. Schweitzer must join with the elite warriors of both America and Canada in a desperate bid to get there first—and avert a disaster that could put the Cell in control.
