What was Tony thinking? Control? Acquisition? Domination? Love? BEHIND HIS EYES CONSEQUENCES explores significant scenes as well as behind-the-scenes moments from the first book of the Consequences series. Not a total re-write, this companion explores the mind of the man who thought he set the rules and delivered the consequences. From the beginning. Anthony Rawlings has the perfect world: money, influence, and power. Everything in his life is and has always been planned, executed, and predicted...until Claire. How long can he deny what is right before him? Experience the rare opportunity to see this esteemed man's world change, from behind his eyes. It is always darkest before the light. It was an agreement to acquire a soul. —Aleatha Romig, CONVICTED

Ripples: A Consequences Stand-alone Novel You don't have to read the Consequences series to enjoy this stand-alone novel, but if you know Tony Rawlings, you know that disappointing him isn't an

option. Imagine being his youngest daughter...imagine telling him the unimaginable... "Those who don't know history are doomed to repeat it." Sometimes ideas find you, and dreams begin as nightmares. Sometimes the truth that has been kept hidden is the key to opening a door you never knew existed. "You might not know me. I'm the baby of the Rawlings family, the princess, the daughter who came along later. I'm not like my older siblings, successful at everything they touch. My mother and father have provided me with every luxury as well as their unyielding love and support, but I'm not spoiled. I'm also not content. By example, my parents have shown me how love should be. I don't know their past, and that doesn't matter. I know what I've seen—two people devoted to one another. I don't believe that I'll ever find that kind of love, the kind that forgives and accepts all. And as my life falls to pieces and I travel to visit my family to face their disappointment, I'm not even looking for it. I'm looking for an escape...from my life as a Rawlings...from the pressure to achieve and not let others down. I dream of the time I can live for my own desires without the expectations that come with my name. I don't find what I'm seeking...it finds me. Or should I say...he finds me. This time is different. I have a family who will search for me and find the answers. Little do we know—any of us—that my father set my journey into motion long before I was born." "Just as ripples spread out when a single pebble is dropped into water, the actions of individuals can have far-reaching effects." ~Dalai Lama Ripples (Unabridged Version) is Natalie's story, the youngest of Tony and Claire's children—their baby. This story first appeared in shorter form in *Glamour: Contemporary Fairytale Retellings*. Due to the length restriction of each novella in that anthology, many scenes in Ripples were shortened or omitted for that anthology. This unabridged edition is the entire story—double in length and—a full-length novel. Please enjoy this Consequences novel along with special appearances from your favorite Consequences characters.

And then there's the way his designer suits drape over his broad shoulders and big...well, we've all heard the rumors, the ones that say he's up for any challenge. Men like him don't notice women like me, and they don't date them. It's blackmail. *** That's what Kimbra Jones thinks.
