Charles Stross builds a new series with Empire Games, expanding on the world he created in the Family Trade series, a new generation of paratime travellers walk between parallel universes. The year is 2020. It's seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled world. But Miriam Burgeson, commissioner in charge of the shadowy Ministry of Intertemporal Research and Intelligence—the paratime espionage agency tasked with catalyzing the Commonwealth's great leap

forward—has a problem. For years, she's warned everyone: "The Americans are coming." Now their drones arrive in the middle of a succession crisis. In another timeline, the U.S. has recruited Miriam's own estranged daughter to spy across timelines in order to bring down any remaining world-walkers who might threaten national security. Two nuclear superpowers are set on a collision course. Two increasingly desperate paratime espionage agencies try to find a solution to the first contact problem that doesn't result in a nuclear holocaust. And two women—a mother and her long-lost daughter—are about to find themselves on opposite sides of the confrontation. Dark State is the second book in the thrilling Empire Games series - set in the same world as Charles Stross' The Merchant Princes series. In the near future, the collision of two nuclear superpowers - in two different timelines - is imminent. One America is experiencing its first technological revolution, whilst a parallel United States is a hi-tech police state. But both are poised to wreak destruction. In Miriam Burgeson's America, internal politics are pulling the government apart. But if one of her agents secures a high-profile defection, civil war may be averted. Rita Douglas, rival US spy, arrives during this crisis. Her world is rocked when she realizes Miriam is her mother, who gave her up for adoption as a baby. But what impact will this have on the conflict? Then the

Jonah Ranger was restoring an antique 1955 Chevy when he heard a woman's voice on the car radio pleading for help. She said her name was Alice Davenport, and a man was holding her captive, forcing her into a grueling workout routine so she'd be a proper challenge when he hunted her like big game on his private estate. As they talked, her voice shifted from the radio to inside Jonah's head. Born with telepathic abilities, he'd helped Decorah Security rescue kidnap victims, but never had he felt this personal connection to one of them. Calling on psychic resources he didn't know he possessed, Jonah was able to project himself to Alice's location, where he could hold her in his arms, touch her, kiss her, and plan.

Arms race with the USA, its parallel-world rival. And the USA's technology is decades ahead. Yet the Commonwealth might self-combust first – for its leader has just died, leaving a crippling power vacuum. Minister Miriam Burgeson must face allegations of treason without his support, in a power grab by her oldest adversary. However, all factions soon confront a far greater danger . . . In their drive to explore other timelines, high-tech USA awakened an alien threat. This force destroyed humanity on one version of Earth. And if the two superpowers don't take action, it will do the same to them. Invisible Sun follows Empire Games and Dark State. This trilogy is set in the same dangerous parallel world as Charles Stross's Merchant Princes sequence.
