The Declaration's defenders also pointed out that the international community has deemed later independence movements valid and just, invoking the fundamental right of self-determination.

~~Is the Declaration of Independence Illegal? — HISTORY~~

Text of the Declaration of Independence. When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

~~Declaration of Independence — Text of the Declaration of ...~~

The Declaration justified the independence of the United States by listing 27 colonial grievances against King George III and by asserting certain natural and legal rights, including a right of revolution. Its original purpose was to announce independence, and references to the text of the Declaration were few in the following years.
