This is the first comprehensive reference work to cover the entire domain of "Gnosis and Western Esotericism" from Late Antiquity to the present. It contains critical discussions of all its major authors, currents and manifestations, from Gnosticism to the New Age. This one volume edition is an unabridged version of the two volume edition published in 2005.

Covers every aspect of pagan, Jewish, and Christian religious discourses and phenomena traditionally labeled gnosticism, hermeticism, astrology, magic, the "occult sciences," esoteric religion, and more. Contains articles about the life and work of all the major personalities in the history of Gnosis and Western Esotericism, discussing their ideas, significance, and historical influence.

An exploration of John Dee's Enochian magic of angel contact, its reinterpretation over the years, and its endurance to the present day.

"This book examines the origins of the evil creator idea chiefly in light of early Christian biblical interpretation. It is divided into two parts. In Part I, the focus is on Gnostic Christian interpretation. First, ancient Egyptian assimilation of the Jewish god to the evil deity Seth-Typhon is studied to understand its reapplication by alternative (Sethian, "Ophite" and "gnostic") Christians to the Judeo-catholic creator. Second, an alternative Christian reception of John 8:44 (understood to refer to the devil's father) is shown to implicate the Judeo-catholic creator in murdering Christ. Part II focuses on Marcionite Christian biblical interpretations. It begins with Marcionite interpretations of the creator's character in the Old Testament (chap 3), analyzes the reception of 2 Corinthians 4:4 (in which "the god of this world" blinds people, chap 4), examines Christ's so-called destruction of the Law (Eph 2:15) and the Lawgiver (chaps 5-6), and shows how Christ finally succumbs to the curse of the Law (Gal 3:13) inflicted by the creator (chap 7). A concluding chapter sums up the findings and shows how still today readers of the Bible conclude that the creator is evil"--

Aldous Huxley and Alternative Spirituality offers an analysis of Huxley's spiritual interests, spanning both mysticism and Western esotericism. With this methodology, Jake Poller generates new insights into Huxley's work and draws revealing parallels between Huxley's ideas and the New Age.

The essays in this volume, written by specialists working in the field of tantric studies, attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present. The volume gathers contributions on South Asia, Tibet, China, Mongolia, Japan, North America, and Western Europe. The chapters cover a wide thematic area, which includes modern Bengali tantric practitioners, tantric ritual in medieval China, the South Asian cults of the mother goddesses, the way of Buddhism into Mongolia, and countercultural echoes of contemporary tantric studies.
