Now, with that aside this first book of the Dire Wolves series is an interesting and at times a disturbing read. The connection bridged over fantasies or childhood crushes between Gage and Mary Ann is at times awkward and then seems based on lust, but when thrown into a bad situation beyond their control the appearance of the Dire wolves make them look sane and worthy of being with one another.

DIRE: Dire Wolves Chronicles Book 1 was an amazing beginning to a new (hopefully) long series by Alyssa Rose Ivy. Once I started reading, I was immediately pulled into the story of Gage, Mary Anne, and the wolves. This story is darker and a bit more unsettling than Rose Ivy's other paranormal series.

Ainsley is at a loss for what to do with her life. She hates her two dead end jobs and the family who betrayed her. She has resigned herself to living one day at a time, but she longs for an escape from her lonely life. When Ainsley finds James in her bed, their two lives and worlds collide. They may have both found exactly what they need, but the darkness James has been running from his whole life has just caught up. \*New Adult Fantasy Romance\*

The Empire Chronicles Books 1-3: The first three novels in the NA Paranormal Romance series The Empire Chronicles. Soar In the city that never sleeps the Chronicles continue... Serving coffee is temporary, just like Casey's year off from school. She's going to come up with a plan to stay in New York City and go back to college, and that plan does not involve dating a paranormal creature—let alone two. Running the supernatural society of New York is not as fun as it sounds, especially when you still have to answer to your ex-girlfriend's fiancé. Toby doesn't mean to bring Casey into the chaos of his life, but he can't resist the girl who makes him smile when he thought no one else ever could. Jared's in New York checking out a security risk for his best friend, the king. He plans to return to New Orleans quickly, but not if it means losing his chance with the brunette who pretends she wants nothing to do with him. In over her head with a bunch of winged creatures who most definitely are not angels, Casey has to figure out who to trust with her life and maybe her heart. Search Casey isn't human. The revelation should terrify her, but it doesn't. Instead it excites her. Too bad not everyone is as excited as she is. Torn between two lives, the only one she's ever known and her life as a paranormal princess, Casey has to decide whether she can trust the man she loves. Sometimes being a princess isn't all it's cracked up to be. Stay Nothing could possibly get worse. Everything and everyone that could be in jeopardy already is, and Jared knows that he is The Society's only hope. If he doesn't find a way to escape he fails everyone including Vera, the bear shifter he can't seem to get out of his head. Casey and Toby are in love. Head over heels in love, but is their love strong enough to survive a magic so powerful that Casey's mind is no longer in her control? Vera will do anything to help her sister, and unfortunately that means she is well acquainted with Jared, the most frustrating man she has ever met. Now she has to find a way to fight her annoyance and growing attraction long enough to help save Levi and Allie. Racing against the clock, all four must face their greatest fears to save The Society and all the people they love.

The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot. Promise of the Wolves is a historical adventure story in the tradition of Clan of the Cave Bear and Watership Down. Set 14,000 years ago in what is now Southern Europe, Promise of the Wolves is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.
