Broken beyond repair. Corvus, Rook, and Grey – The Crows. Bred in a world of gang wars, violence, and secrets, they rule the bloody town of Thorn Valley and all the people in it... too bad for me I ' ve ...

It's been three years since I set foot in Club Explicit, and three long years since I set eyes on Andy Morgan. He doesn't want me here, doesn't want to know me, doesn't want to even hear my name. But I'm back on his doorstep, in his office, in his life... with a suitcase full of

dirty bad secrets. Faye Devere is out to claim her old life back. Three years in Italy have come at a heavy price, and she's running back to the only anchor she has left: her fifty-fifty share of Club Explicit, and the man she left to pick up her pieces. But Andy Morgan's long over it. Long over her. Club Explicit is his baby now. His club, his rules, his way. Andy's not a man who shares easily. And certainly not with the woman who upped and left without so much as a goodbye. When your battlefield is London's horniest playground, and sex is the sole weapon left in your arsenal, it's only a matter of time before the fight gets dirty... and the secrets get dirty bad.

Some bad girls need a firm hand to keep them in line. I'm bad enough to need two. Two older men who can teach me a lesson when I misbehave. Two hot bodies to keep me warm in bed at night. Two best friends who can learn to share a filthy-mouthed little brat like me. After all... dirty girls need very dirty daddies. ***Carrie Wells is nothing but trouble. She's wild and difficult. Not worth anyone's time. Carrie Wells is a beautiful little brat. She's also a vulnerable young adult on my case list. She's half my age and totally off limits. I'm breaking every rule in the book by giving her somewhere to stay when she's out on the streets with nowhere to go. And I'm breaking every rule of friendship by holing her up in my best friend Jack's house while he's away on business. I thought life was difficult enough when I fell for the girl, but it gets a whole lot harder when Jack comes home early and finds a beautiful stranger causing chaos in his house. And a whole lot harder still when he falls for her too. He's the one guy on this planet I'd share my last supper with. I'd share it gladly. I'm just not so sure how I feel about sharing Carrie Wells.

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

They tell me it's unhealthy, just a stupid crush. They tell me it's infatuation, and will never

come to anything. Never mean anything. Because what would I know, right? I haven't even finished school. I'm just a silly little girl. And no little girl should want the things I want from him. No little girl should have the thoughts I have... But they're wrong. I really do love Mr Roberts. I love Mr Roberts because he's the most amazing man, the most amazing artist, the most amazing teacher that could ever have existed. And what if... just what if Mr Roberts wants me, too? What if Mr Roberts really does want to Teach Me Dirty?

In a single moment, she becomes my obsession... Elaine Constantine will be mine. And her destruction is only my beginning. I ' ve known all my life that the Constantines deserved to be wiped from the face of the earth, only a smoking crater left where their mansion once stood. That ' s my plan until I see her, the woman in gold with the sinful curves and the blonde curls. My will to dominate her runs as deep as the hate I have for her last name. No matter how beautifully she bends beneath my hands, I'll leave her shattered, a broken toy for her cruel family. I'm a sadist, and she's the object of my obsession. "I'm speechless... My limits were tested and I even found a few hard limits of my own. I still hear that divinely, sexy man demanding those sinfully sweet words." - USA Today bestselling author B.B. Reid on Dirty Bad Wrong

A stranger online. Dark hair and even darker eyes that knew my dirty desires before I did. A fantasy that should never be spoken. But he pulled the confession from me. And now he's coming for me. Rough. Dirty. Dangerous. It's supposed to be one night to get me off and make me forget. He'll make me his and I'll pretend I don't want him to. I'll run and he'll chase. Because I asked him for this. I begged him for this. Tonight, in the darkness, he's the hunter. And I'm the bait.

A Newbery Honor Winner A New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver* In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

From USA Today Bestselling Author, Jade West A filthy proposition. Too much money to say no. One dirty night in a stranger's bed. While my husband watches. A full length contemporary romance novel.

It's one thing knowing your ex-boyfriend is a bit of a player, but it's another thing altogether to find out he's pimping himself out to anyone who'll pay good money for it. Not just himself, either. That would be far too regular for Darren Trent. Darren Trent - my teenage sweetheart and father to my two young girls - is not just whoring himself out. Oh no. Darren Trent pimps himself out alongside four of his mechanic friends - all of them at the same time. Five hot,

sweaty mechanics at your service. They call themselves the Bang Gang... you can imagine. In a village our size I should keep my head down and hope the scandal blows over before the girls or my poor old Nanna catch wind of it. Only it's not blowing over. Far from it. It seems every woman in the village wants themselves a five-mechanic sandwich. They make no qualms about it, either. Just rock on up to my café counter and ask how they can book themselves in for a Bang Gang special. Like I would know. I definitely wouldn't know. I hardly even know Darren Trent anymore. We split up a lifetime ago. I definitely don't think about him late at night. Don't think about five mechanics and me as much as every other woman in this village. And even if I did, I wouldn't act on it. I wouldn't draw the money from my savings account and have a go for myself. And even if I did that, I definitely, definitely wouldn't fall for him. Not again. Not after everything we went through. Not after splitting up the first time nearly brought me to my knees. Not after settling into a decent routine, the girls and me, with no drama, no heartbreak, no crazy passions to rock the calm little boat we're sailing on. I mean, who would be stupid enough to risk all that over a hot, sweaty, oily bit of rough like Darren Trent?
