Doing Something Different Solution Focused Brief Therapy ...

Solution-focused therapy is based on the therapist ' s respect for and collaboration with the client. Together client and therapist concentrate on success, solutions, and what works. Therapists develop goals with the client, rather than imposing “ appropriate ” treatment objectives on them. If one solution does not work, the technique—not the client—is blamed and client and therapist go on to “ do something different.

Solution Focused Brief Therapy | Balanced Path Counseling

Solution-focused therapy, also called solution-focused brief therapy (SFBT), is a type of therapy that places far more importance on discussing solutions than problems (Berg, n.d.). Of course, you must discuss the problem to find a solution, but beyond understanding what the problem is and deciding how to address it, solution-focused therapy will not dwell on every detail of the problem you are experiencing.
